[Hey! *Pranavaswarupini*, who exists in all the three time scales, in the three transient stages of our mind, and in the three gunas we pray that YOU illumine our intellect and dispel our ignorance like the resplendent SUN removes all darkness. We pray YOU to gracefully offer us the serene, sharp, transcendental enlightened intellect]

**If you Strive Spiritually, Divine Takes Care of your Needs**

Once Swami Vivekananda was travelling in a 2nd class compartment of a train, a follower had bought the ticket for him, Swamiji had no money. It was a very hot Indian day.

There was a business man in the next seat, he was eating variety of sweets and drinking cool juices, he looked at Swamiji and said **"Only if you had worked hard like me you could have been enjoying too."** as if spirituality is a lazy man's business.

Swamiji had not eaten anything for the last two days, he did not say anything in reply to the business man.

Coincidentally both got off at the same station, a sweet-seller was waiting outside the train with variety of sweets, drinks and a chair to sit on. As soon as he saw Swamiji he requested him to receive his hospitality.

**"Why are you giving me all this?"** asked Swami Vivekananda.

**"In the afternoon sleep I had a dream, Lord Rama appeared in the dream and told me to give all these to you."** said the sweet-seller.

Swamiji ate all that with tears in his eyes appreciating how divine love manifests for those who are genuine in their quest.
