A ONE DAY STUDENT CONVENTION :

A one day student convention was conducted for the second and third year students on December 11th 2019. Various technical events were conducted for all the participated students. All these events helped students to work on their technical skills.

Events that were conducted were:

1. Logo Quiz
2. Scrambled Code
3. Blind Coding

All these events were conducted under the supervision of all the coordinators and CSI student body members. All the participants worked on the quizzes individually and grouped depending on the level of event.
