### **Expert Talk on “Scope of Embedded Systems” – 21/09/2019**

With the increasing demand for Embedded Systems and IoT, the students should be ready to face the demands of the fast pacing industry. In view of this, an expert talk by Mr. P Gopal Krishna, Technical Manager, PHYTEC Embedded India Pvt. Ltd., Bangalore is organised.

Mr. Gopal in his talk elaborately discussed on the competencies that the students should possess to become industry ready. He explained the detailed hierarchy of the roles in any embedded organisation, and the skill set required for each role. He also threw some light on the different Embedded Industries present in India. Mr. Gopal insisted the students to start working towards preparing for Embedded Industry from the 2<sup>nd</sup> year itself.

Prof. R Raja Rajeswari, Director, R&D, GVPCEW, Dr. K Srinivasa Rao, HOD-ECE and other faculty of department of ECE are present at the meeting. In his concluding remarks, Dr. K Srinivasa Rao thanked the speaker and opined on having some hands-on training workshops for the IETE student members in coming future.
