A Report on INTERNATIONAL YOGA DAY, JUNE 21, 2023

The International Day of Yoga has been celebrated annually on 21 June since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in India. The idea of an International Day of Yoga was first proposed by the current Prime Minister of India, Narendra Modi, during his speech at the United Nations General Assembly (UNGA), on 27 September 2014, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world.

Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with you, the world, and the nature. By changing our lifestyle and creating consciousness, it can help in well-being. Let us work towards adopting an International Yoga Day.

— Narendra Modi, UN General Assembly

On June 21st, 2023, GVPCEW celebrated the 9th International Yoga Day with great enthusiasm under the NSS Unit and coordinated by physical director, N. Mangala Gowri, S.V.Satyanarayana Garu, Yoga Trainer and was attended by around 65 members (staff and students).

The objective of this year's celebration, themed "Yoga for Vasudhaiva Kutumbakam," was to connect with a larger global community and promote the widespread adoption of yoga in every village in India.

The program kicked off with warm-up exercises, during which all faculty members actively participated. They guided through various sitting and standing asanas, with simultaneous explanations of their significance. The instructors emphasized the importance of incorporating yoga into daily life and maintaining harmony between the body and mind. The session lasted for over an hour, witnessing active participation and engagement from all attendees. The yoga instructors provided detailed explanations of each pose and offered guidance on precautions to taken. Undoubtedly, it proved to be a successful event.

GVP Health Care & Medical Technology will be organizing an Awareness Program on Cardiopulmonary Resuscitation (CPR) to educate and train our college community on the essential life-saving skills of CPR.

Attendees will receive basic training on how to perform CPR in emergency situations and also get Certificates.

Let's take this opportunity to contribute to creating a safer environment for everyone by participating in this program.

CPR Awareness

Date: 06-12-2023

An Awareness Program on CPR Awareness

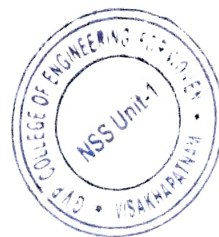

Venue: GVP Health Care & Medical Technology.

Cardiopulmonary resuscitation (CPR) is a hands-on emergency intervention used to restore breathing and a heartbeat in a person who has gone into cardiac arrest.

Common causes of cardiac arrest are a heart attack or near-drowning.

CPR involves performing chest compressions and, in some cases, rescues ("mouth-to-mouth") breathing. These techniques can keep blood flowing to the brain and other organs until medical help arrives. When oxygen-rich blood cannot get to the brain, brain damage can occur within minutes.

What to do before performing CPR

A time is of the essence, but before you attempt CPR on someone, follows these steps,

1. **Make sure the environment is safe.** A fire, traffic accident, or other dangers could put your own life at risk.
2. **Try to wake the person.** Tap on the person's shoulder firmly and ask "Are you OK?" in a loud voice. Move on to the next steps after five seconds of trying to wake the patient.
3. **Call 911.** Anytime a patient won't wake up, call 911 immediately or ask a bystander to call. Even if you will perform CPR on the spot, it's important to get paramedics to the scene as quickly as possible.
4. **Put the person on their back.** If it's possible that the person may have had a spinal injury, turn them carefully without moving the head or neck.
5. **Check for breathing.** Tilt the patient's head back to open the airway and determine if they are breathing. If the patient doesn't take a breath after 10 seconds, start CPR.
- 6.

The following steps apply to adults and to children over 8 years old.

1. **Place your hands on the person's chest.** Imagine a line between the nipples and put the heel of one hand directly on that line, in the centre of the chest (i.e., the sternum). Place your other hand on top of that hand. Centre your weight directly over your hands.
2. **Perform chest compressions.** Push hard, to a depth of at least 2 inches (but no deeper than 2.4 inches) and fast about twice per second until the person responds. Your hands shouldn't bounce, but you should lift your entire body weight off the patient in between each compression.
3. **Give rescue breaths.** If you have had CPR training and feel comfortable performing the steps, push on the chest 30 times, and then give two rescue breaths.
4. **Repeat.** Repeat cycles in the CPR ratio of 30:2 (chest compressions and breaths) until help arrives or the patient wakes up.

The Students of GVPCEW actively Participated and gained the knowledge about CPR.

They also participated in NBEMS (National Board of Examinations in Medical sciences) CPR Awareness Program and got the certificates.

Here is sample certificate copies attached along with the report.

To: principal@gvpcew.ac.in

Dear Madam/Sir,

Greetings from All India Council for Technical Education (AICTE) ..!

Our Hon'ble Prime Minister Shri Narendra Modi will launch a major initiative called 'Viksit Bharat@2047' on 11th December 2023 from 10.15 am onwards and we request your institution to make all necessary arrangements so that all your students can watch this launch webcast.

You are requested to gather all your students in Auditorium or big halls and watch this launch program live on the big screens. The link for webcast is pmindia.webcast.nic.in

Also request you to share photos of students watching this webcast on all major social media platforms tagging AICTE, Ministry of Education and PMO.

More details regarding this program are attached for your kind information.

Objective of the Communication

Viksit Bharat@2047 is the vision of the Government of India to make India a developed nation by 2047, the 100th year of its independence. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability, and good governance.

As India stands at this crucial juncture, poised to take off on its growth trajectory, it is important to realise that tremendous dedication and belief in India's destiny, immense desire, potential, talent and capabilities of the Indians, especially the youth, coupled with steadfast leadership, is necessary to realise this potential. There is enormous work that needs to be undertaken in a mission mode to make India **Viksit Bharat by 2047**. For this to happen, there is a need to chalk out a bold, ambitious and transformative agenda, and its communication to all stakeholders. The role of the youth, who constitute our largest population group, has a huge role here as they will lead India to Viksit Bharat by 2047.

Therefore, it is important to channelise the innovative ideas of the youth into nation-building by inviting them to ideate and contribute to the vision of Viksit Bharat by 2047. It is important that every youth, more so the youth in colleges/ institutes and Universities take part in this important nation building exercise. Therefore, it is important that outreach initiative of this program reaches to every youth in the country. Department of Higher Education, Ministry of Education will lead the communication and outreach in this regard.

SoP for Universities along with Communication Plan for #Ideas4ViksitBharat

Entity	Pre Event Activities	Post Event Activities
Universities/ Institutes	<ol style="list-style-type: none"> 1. Universities/ Institutes to share the weblink to all college for the faculty and students to attend the event on 11th December 10.30 AM. 2. Ensure Participation on LIVE Session: Identify the space from where the faculty and students can attend the Live Session 3. Clearly outline the purpose and goals of the event to the faculty members, staff and students for maximum number feedback to be submitted on mygov. 4. Appoint a dedicated team to promote, organize, disseminate information, and mobilize the students for this whole event, ensuring the feedback from students on MyGov Portal. 	<ol style="list-style-type: none"> 1. QR (developed by mygov) Code may be given prominence through websites and social media by Universities/ Institutes. It will give direct access to access to Vikshit Bharat Portal. 2. WhatsApp groups formed especially broadcast groups for media may be utilized for the dissemination of QR Code. 3. A Social Media Campaign by universities and colleges may be initiated to encourage students to share their ideas on the vision of Viksit Bharat. 4. The #Ideas4ViksitBharat hashtag may be used across all social media platforms in order to make it trend and encourage students. 5. Information during Lecture: Dedicated 10 minutes at start of day in college. 6. Dedicated Room for Feedback Collection: Designate existing IT Labs/ Library as a Viksit Bharat Ideation Center to facilitate the students for submitting the feedback form for the period of 11 December 2023 to 25 December 2023 7. Dedicated Timing: Allot dedicated time of the day for the next 2 weeks to allow students to fill the form 8. SOP for Feedback Submission: Paste the step-by-step approach on the classroom/ IT labs/ library/ notice board walls for the ease of students 9. Universities and Colleges to organize Viksit Bharat Utsav by involving

SoP for Students for #Ideas4ViksitBharat

Entity	Pre-Event Activities	Post Event Activities
<p><u>Students</u></p>		<ol style="list-style-type: none"> 1. Students to follow the steps while submitting their Feedback on the portal <ul style="list-style-type: none"> • Step – 1: Visit the MyGov Portal (mygov.gov.in) and proceed to the Viksit Bharat Consultation section or use QR code to reach directly at Vikshit Bharat portal. • Step – 2: Answer the questions using the dropdown options for the 3 questions. • Step – 3: Provide the idea for the Viksit Bharat @ 2047 in 3-5 lines and mention about your role/ contribution towards making India as a developed nation. • Step – 4: Submit the form along with your email ID at the designated place and download the Certificate of Accomplishment from your email. • Step – 5: Share your experience and your thoughts on social media with #Idea4ViksitBharat 2. Students to upload the Selfie with the specific background/ ViksitBharat @ 2047 banner showing participation in the initiative on their Facebook or Instagram account.

- | | | |
|--|--|--|
| | | <p>students in discussions and debates.</p> <ol style="list-style-type: none">10. Common Banner needs to be placed as backdrop in all the related events organized everywhere. The #Ideas4ViksitBharat hashtag may be used across all social media platforms in order to make it trend and encourage students.11. At least 3-5 posts on every social media handle of theirs should be released per day with #Ideas4ViksitBharat.12. Community Radio of Universities and Colleges (if existing) may hold discussion on the Vision of Viksit Bharat with students and faculties including an outside expert. Students may be encouraged to participate in such discussions.13. Engaging youth through NCC/NSS and Nehru Yuva Kendra Sangathan.14. NCC cadets, NSS volunteers and youths from other youth organizations to be encouraged for participating in the campaign. |

Dear Madam/Sir

This is in continuation to our mail dated December 10, 2023 regarding Online Meeting on "Viksit Bharat@2047: Voice of Youth" Consultation Programme held on 11th December, 2023 wherein Hon'ble Prime Minister of India Launched the Viksit Barat @2047 Ideas Portal and delivered a Special Address via Video Conference. This address has kick started two weeks long campaign wherein HEIs have to involve large number of students to give their opinion on Viksit Bharat@2047.

In this regard, please find attached a poster and a Concept Note for dissemination among the students of your universities /institutions /colleges. A SOP is also attached that should be followed by HEIs to ensure greater participation of students. You are requested to encourage the students of your Universities/Institutions/Colleges to avail an opportunity to provide their transformative ideas for the Vision of Viksit Bharat@2047.

All the Programmes carried out for this campaign and selfies of students after sharing their ideas on Viksit Bharat@2047 should be made public on social media using #Ideas4ViksitiBharat.

With regards,
 Dr. Gopi Chand Merugu
 Deputy Secretary

VIKSIT BHARAT @ 2047

Concept Note for Discussion with Universities on Vision for 2047

Introduction

India is at a turning point in its history. The 21st century will be India's century, as the country pole-vaults into the future confident of its capabilities. It is the 5th largest economy in the world today and will be the world's 3rd largest economy by 2027, as its GDP crosses US\$ 5 trillion (IMF estimates). By 2047, India is poised to be a US\$ 30 trillion economy with all the attributes of a developed nation. It will be a Viksit Bharat.

Importance of Transformative Moments

In the histories of nations, there comes a turning point, when a nation grabs the moment and achieves rapid growth. Some of these are:

- a. **Japan:** Post World War II, Japan underwent a remarkable transformation in the 1950s and 60s, a period of rapid economic growth never seen before, often referred to as the 'Japanese Post-War Economic Miracle'. This era propelled Japan into a leading world economy and established it as a global economic powerhouse.
- b. **Germany:** Germany's economic trajectory changed in the 1950s, 60s and 70s, also known as the Wirtschaftswunder or 'economic miracle', a period of rapid economic growth and rising living standards. Germany has since remained among the largest and most competitive economies globally, known for its strong manufacturing base and technological prowess.
- c. **Singapore:** From being a developing country, Singapore transformed itself in the 1960s and 70s, becoming one of the richest nations in the world, and one of Asia's economic powerhouses which is technologically sophisticated.
- d. **South Korea:** From being a war-torn, agrarian and impoverished country in ruins, South Korea transformed its economy dramatically from the 1960s to 90s, a period referred to as the 'Miracle on the Han River' with world leading companies.

These are nations which knew the importance of a turning point and used that occasion to become economic giants. India too is at the cusp of such an opportunity.

India's Opportunity – Its Turning Point

This is India's Amrit Kaal. India has been transformed on many fronts and is ready for take-off. There has been a massive expansion in social and economic infrastructure

through policies and schemes in past years such as Samagra Shiksha and expansion of Universities, IITs, IIMs, Medical and Nursing Colleges, Skilling (Pradhan Mantri Kaushal Vikas Yojana), and many more. In the last decade, the number of universities and colleges have increased manifold, and the Indian higher education system today boasts 1,113 Universities/University-level Institutions, 43,796 Colleges, and 11,296 stand-alone Institutions with 4.33 crore students. The Gross Enrolment Ratio (GER) in higher education has steadily increased to 28.4.

Similarly, the healthcare sector has expanded massively on all fronts. In 2022, there were 1,56,000 Ayushman Bharat centers, providing primary health care services to communities closer to their homes. The vast network of nearly 13.97 lakh Anganwadi centers covers almost 10 crore children with Early Childhood Care & Education. Various health indicators such as Infant Mortality Rate (IMR), Maternal Mortality Rate (MMR), and percentage of children underweight have fallen dramatically. Over 10 crore women and children are covered under the Poshan Mission launched in 2018. Full immunisation coverage has risen from 62% to 81% due to strengthened immunisation programmes under Mission Indradhanush. Going forward, we need to raise healthcare to global levels.

Rural India too is transforming. We are close to achieving or have already achieved universal coverage in electricity, drinking water, bank accounts, roads, mobile connectivity and many more. Rural India is now starting to have the same benefits of Urban India. We have also strengthened and avoided distress for the poor through Pradhan Mantri Garib Kalyan Anna Yojana and MNREGA. Pradhan Mantri Awas Yojana is providing housing for all.

Progress has been phenomenal on other fronts as well. Mobile phone and internet penetration is massive. India has 120 crore mobile phone users and 80 crore internet users. India has 30 crore Unified Payment Interface (UPI) users with 1,000 crore transactions per month. Over 40% of all digital transactions are on UPI. There has been a massive expansion of the Highway network with Expressways also coming up. Railways have improved both capacity and bringing new trains such as Vande Bharat speeding up travel in a better environment. Air travel has expanded and is breaking records. In Science & Technology too, we have set new milestones through Chandrayaan and other space missions. Our Digital Public Infrastructure (DPI) is the envy of the world with Aadhaar, UPI, AA Stack, COWIN platform, GeM, and many more. In Industry, we are on our way to becoming a manufacturing hub for the world. In Services, where we are very strong, our IT and non-IT sectors are becoming global.

Young India's creativity and potential for innovation coupled with supportive government policies like Digital India and Startup India are enabling youth to become job creators. India is home to over 100 unicorns with a total valuation upwards of US\$ 340 billion and has emerged as the world's 3rd largest startup ecosystem.

While all these point to the takeoff moment we are in now, the most important is our demographic dividend. With a population of 144 crores, India is one of the youngest nations with a median age of 29 years. It accounts for nearly 20% of the world's total young population. This is an enormous opportunity, likely to last till 2047. Using this dividend well, we can propel India into a Viksit Bharat.

India has Demonstrated Quantum Leap Capabilities

The last decade has witnessed a phenomenal demonstration of our capabilities to transform India. A comprehensive governance model focused on leaving no one behind with targeted schemes has led to 13.5 crore escaping multi-dimensional poverty, much ahead of the 2030 Sustainable Development Goals. Some transformative impactful initiatives that are proof that 'we can do' are:

- a. **Sports** – Through concerted efforts of Khelo India, we are breaking past records and have crossed the 100-mark in medals in the recent Asian Games.
- b. **Jan Dhan Accounts** – In a short period, we added 40 crore bank accounts ensuring financial inclusion, something that people expected would take years.
- c. **COVID Vaccines** – The COVID vaccination programme, run through the COWIN platform, with indigenous COVID-19 vaccines, was the world's largest vaccination programme delivered to 200 crore recipients flawlessly. This is a public health achievement without a parallel in human history. We also helped save millions of lives across the world through the Vaccine Maitri initiative, providing 23.5 crore COVID vaccines free of cost to 98 countries. This is a testament to India's commitment to global health and wellbeing.
- d. **Chandrayaan** – India's Mission to the Moon and becoming the first country to land on the South Pole of the moon demonstrated our excellence in science, breaking boundaries in an economical way. This has surprised the leading nations of the world and is an inspiration for what can be achieved on a limited budget and an encouragement for the great tasks that lie ahead in science and technology. India's unique model of frugal innovation can be characterised as 'affordable excellence' and is a beacon for other countries.
- e. **Climate Goals** – India is the only country which has overachieved its Paris 2015 climate commitments 9 years ahead of time by meeting 40% of its power capacity from non-fossil fuels. This has raised our global standing.
- f. **Digital Public Infrastructure** – The DPI we set up has been expanded at a blinding speed, allowing India to be a world leader in digitisation.

- g. **Infrastructure Expansion** – The rapid expansion of state-of-the-art infrastructure is another example of improved capabilities. In the last 9 years, the pace of railway track construction increased more than 3 times from 1,452 km/year to 5,243 km/year. The National Highways Network has increased by 60% to 1,45,240 kms. There has been 100% growth in Airports from 74 to 148.
- h. **India's Global Standing** – As a world leader, our Presidency of the G20 saw the world respecting India's diplomatic and organisational capabilities. We took G20 sessions to every corner of India and the New Delhi Leaders' Declaration is a milestone in India's history. With India's global standing rising, international institutions like the International Solar Alliance are now being set up in India and international investors are coming to India in large numbers. In many ways, India is leading the world.

These dramatic improvements have happened because of a comprehensive governance model that focused on leaving no one behind with speed of service delivery, transparency of operations and focusing on impact at the grassroots and on outcomes. This is also because of a singular commitment to a long-term vision for India.

Journey Ahead – Viksit Bharat@2047

As India stands at this crucial juncture, poised to take off on its growth trajectory, it is important to realise that tremendous dedication and belief in India's destiny, coupled with steadfast leadership, is necessary to realise this potential. There is enormous work that needs to be undertaken in a mission mode to make India a Viksit Bharat by 2047. For this to happen, there is a need to chalk out a bold, ambitious and transformative agenda.

Business as usual will not do. We must create the future. It is important to channelise the innovative ideas of youth into nation-building by inviting them to ideate and contribute to the vision of Viksit Bharat by 2047. This outreach initiative provides that very opportunity to lakhs of youth across India. Each one of you can think about it and send your suggestions on:

- i) **How should a Viksit Bharat look like in 2047 in different aspects?**
- ii) **What do we need to do to reach this goal?**
- iii) **What can you do to make Viksit Bharat@2047 possible?**

VIKSIT BHARAT@2047: VOICE OF YOUTH

SoP

Introduction

Viksit Bharat@2047 is the vision of Government of India to make India a developed nation by 2047, the 100th year of its independence. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability, and good governance.

As India stands at this crucial juncture, poised to take off on its growth trajectory, it is important to realise that tremendous dedication and belief in India's destiny, immense desire, potential, talent and capabilities of the Indians, especially the youth, coupled with steadfast leadership, is necessary to realise this potential. There is enormous work that needs to be undertaken in a mission mode to make India **Viksit Bharat by 2047**. For this to happen, there is a need to chalk out a bold, ambitious and transformative agenda, and its communication to all stakeholders. The role of the youth, who constitute our largest population group, has a huge role here as they will lead India to Viksit Bharat by 2047.

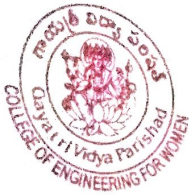

Therefore, it is important to channelise the innovative ideas of the youth into nation-building by inviting them to ideate and contribute to the vision of Viksit Bharat by 2047. It is important that every youth, more so the youth in colleges/ institutes and Universities take part in this important nation building exercise. Therefore, it is important that outreach initiative of this program reaches to every youth in the country. Department of Higher Education, Ministry of Education will lead the communication and outreach in this regard.

SoP for different stakeholders

Entity	Pre Event Activities	Post Event Activities
Universities/ Institutes	<ol style="list-style-type: none">1. Universities/ Institutes to share the weblink to all college for the faculty and students to attend the event on 11th December 10.30 AM.2. Ensure Participation on LIVE Session: Identify the space from where the faculty and students can attend the Live Session3. Viksit Bharat@2047

As per the communication of AICTE, the necessary arrangements were made in the college auditorium on the occasion of launching a major initiative called "Viksit Bharat@2047" by our Hon'ble Prime Minister Sri Narendra Modi on 11th December, 2023 at 10.00 am.

Around 180 students and 45 faculty members have watched the live webcast. At the end, 3 of our students have narrated the gist of the address given by the Hon'ble Prime Minister.

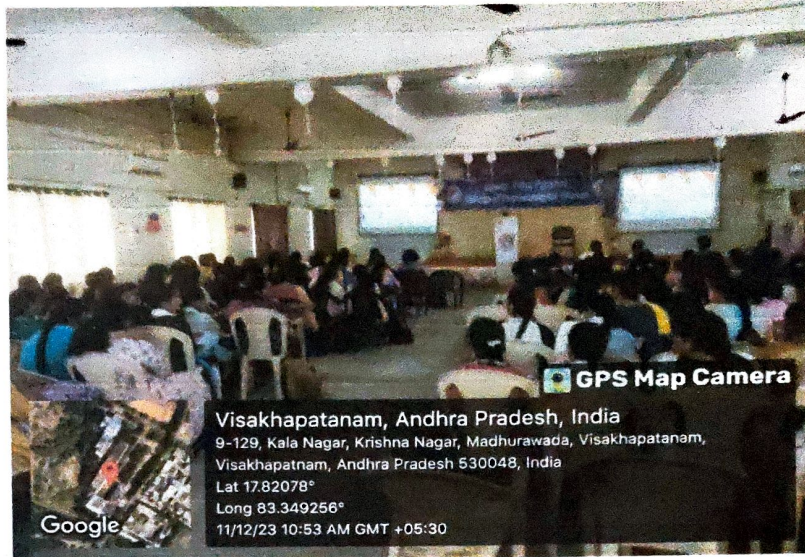

The NSS Coordinator of the college has explained the students about the post event activities which can be carried out on the MyGov portal as given by AICTE.

Report on Parakrama Diwas

23-01-2024

Venue: GVPCEW, Auditorium

No. of Students Participated: 39

Theme: Life and Contributions of Netaji Subash Chandra Bose.

To commemorate the remarkable life and contributions of Netaji Subhas Chandra Bose, GVPCEW organized a PowerPoint Presentation (PPT). The event aimed to inspire students to learn more about one of India's most significant freedom fighters, who played a pivotal role in the Indian independence movement. The competition focused on Netaji's life, leadership qualities, patriotism, and his invaluable contributions to India's struggle for freedom.

Objectives of the Event:

1. To educate students about the life and struggles of Netaji Subhas Chandra Bose.
2. To promote creativity and effective communication skills among students through presentation.
3. To encourage the younger generation to reflect upon the values of patriotism, leadership, and dedication towards the nation.
4. To provide a platform for students to showcase their research and presentation skills.

The competition witnessed enthusiastic participation from students across various departments. Total 39 students registered, and presentations were evaluated based on content quality, creativity, presentation skills, and relevance to the theme.

Participants were allotted 10-12 minutes each to present their PowerPoint slides, which were expected to cover various aspects of Netaji's life, including:

- His early life and education.
- Contributions to the Indian National Congress and his leadership in the Indian independence movement.
- Netaji's role in international diplomacy and his global vision for India's freedom.
- His mysterious disappearance and the ongoing legacy of his contributions.

The students used a mix of historical images, quotations, videos, and innovative visual designs to make their presentations more engaging.

Life and contributions of Netaji subhas chandraboze

Earlier life of Netaji :

- Born in Odisha , 23, January 1897.
- Studied at Presidency College, Calcutta.

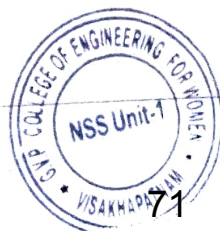

- His parents sent him to the University of Cambridge in England to prepare for the Indian Civil Service (ICS) examination.
- In 1920, he resigned from his highly-paid ICS position.

Netaji's Contributions :

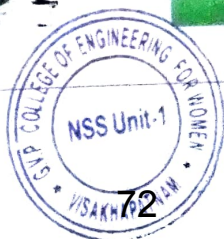

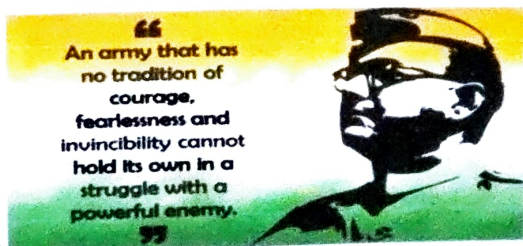

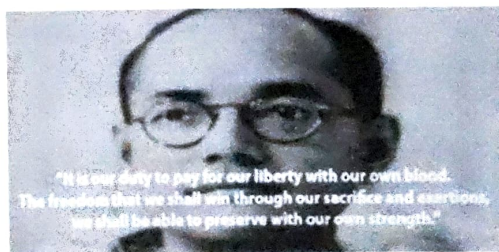

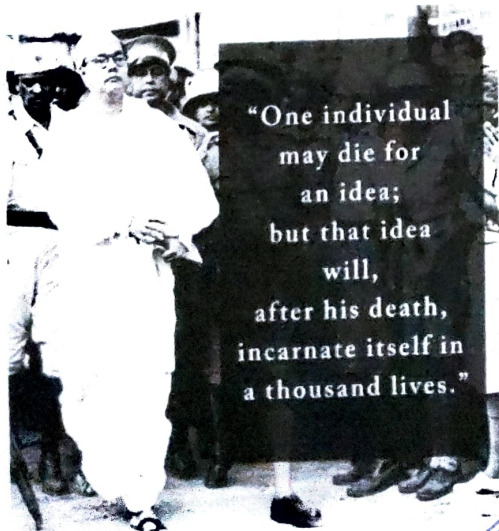

He left home to participate in India's independence movement and became a member of the Indian National Congress.

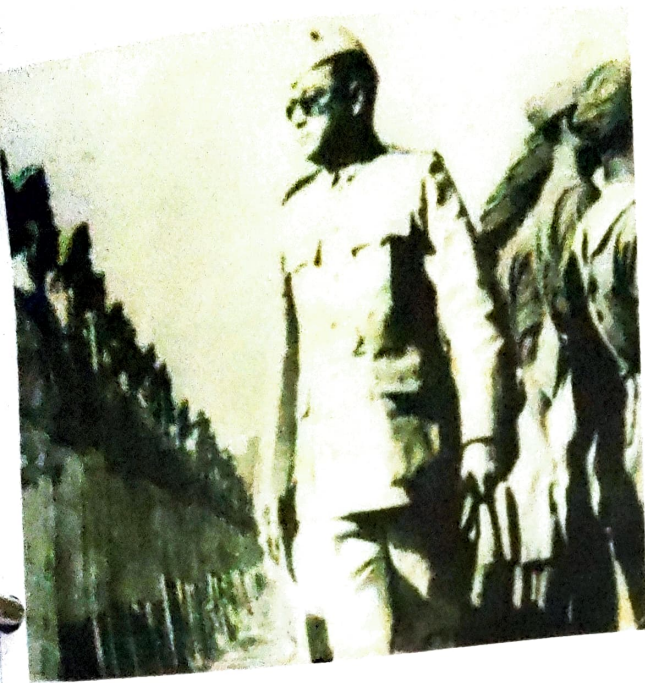

He revived the Indian National Army, popularly known as 'Azad Hind Fauj' in 1943 which was initially formed in 1942 by Rash Behari Bose. The assault by the INA, no matter how short-lived it was, was an important factor that eventually contributed to the British decision to stop their operations and shift back to their own land. This, in the end, did pave the way for India's independence.

Quotes by Netaji :

"We have a grim fight ahead of us for the enemy is powerful, unscrupulous and ruthless. In this final march to freedom, you will have to face hunger, privation, forced marches and death. Only when you pass this test will freedom be yours."

Why subhash chandrabose is called "Netaji" ?

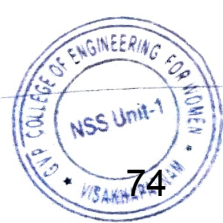

The title "Netaji" for Subhash Chandra Bose was first given to him by Indian soldiers of the Azad Hind Fauj (Indian National Army) during the freedom struggle against British colonial rule in India. The term "Netaji" is a combination of two Hindi words: "neta," meaning leader, and "ji," a term of respect. The soldiers used this title to acknowledge Bose's leadership and role as their commander during the fight for India's independence.

To commemorate his contribution to India's struggle for independence, every year on 23rd January, Subhas Chandra Bose's birthday is celebrated across various parts of the country.

Thank
you

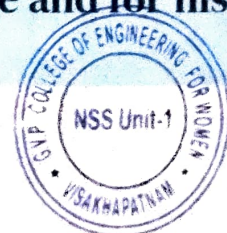

NAME:M.GEETIKA

SECTION:CSM 1

NETAJI SUBHAS CHANDRA BOSE

Subhas Chandra Bose was born on January 23, 1897, Cuttack, Indian revolutionary prominent in the independence movement against British rule of India. He also led an Indian national force from abroad against the Western powers during World War II. He was a contemporary of Mohandas K. Gandhi, at times an ally and at other times an adversary. Bose was known in particular for his militant approach to independence and for his push for socialist policies.

NETAJI VS GANDHI JI

GANDHI JI

VS

NETAJI SUBHAS CHANDRA BOSE

- Gandhi was a strong believer in ahimsa and satyagraha, the nonviolent method of achieving any goal.
- He was opposed to violence for two reasons: first, an unarmed populace had little chance of success in an armed rebellion.
- Second, he saw violence as a clumsy weapon that created more problems than it solved and left behind hatred and bitterness.

- Bose believed that Gandhi's strategy of nonviolence would be insufficient to secure India's independence.
- The only way to end imperialist control in India, according to Bose, is through a militant approach.
- Unlike Gandhi, Bose believed that liberation could not be achieved without the help of the outside world.

ETS LOOK IN DETAIL ABOUT IDEALOGIES OF GANDHI JI AND BOSE.

- MK GANDHI KNOWN AS "FATHER OF NATION" LED THE INDIAN NATIONAL CONGRESS AND WAS A KEY FIGURE IN THE INDIAN INDEPENDENCE MOVEMENT.
- HIS PHILOSOPHY OF NONVIOLENT CIVIL DISOBEDIENCE OR SATYAGRAHA AIMED TO ACHIEVE POLITICAL AND SOCIAL CHANGE WITHOUT RESORTING TO VIOLENCE.

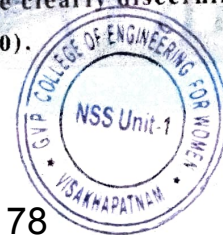

- ON THE OTHER HAND, NETAJI WAS A CHARISMATIC LEADER WHO FORMED THE FORWARD BLOC AND LATER THE INDIAN NATIONAL ARMY (INA).
- BOSE BELIEVED THAT A MORE ASSERTIVE, MILITANT APPROACH
- HE SOUGHT SUPPORT FROM AXIS POWERS DURING WORLD WAR 2 AND LED INA IN BATTLES AGAINST THE BRITISH.

- In 1920, at the age of 23, Subhas joined the Non-cooperation Movement which was going on with all its fury in Bengal under the leadership of Deshabandhu Chittaranjan Das.
- He took prominent part in the agitation against the Prince of Wales's visit.
- In protest against the decision of Gandhi in calling off the Noncooperation Movement as a sequence to the Chauri Chaura incident in 1922, Bose felt highly dejected.
- In 1927, Subhas was elected as one of the General Secretaries of the Indian National Congress.

- The year 1927 brought Subhas closer to Jawaharlal Nehru at the annual session of the Indian National Congress which was held at Madras.
- They formed the Independence of Indian League and under their joint effort, resolution for 'Complete Independence' was passed.
- In the next year due to the opposition of Gandhi the resolution to reiterate the demand for Complete Independence could not be approved.
- Thus Bose's proposal was defeated. In 1929 to separate Nehru from Subhas, Gandhiji nominated Jawahar as the President of Indian National Congress.
- The Mahatma was happy as he thought that Bose would be ineffective without support from Jawaharlal.
- But Subhas a different stuff altogether, despite opposition both from Nehru and Gandhiji declared 1929 to be the year of preparation for a massive civil disobedience movement.
- In the subsequent events that immediately followed the same sort of ambivalence in the relationship between these two leaders are clearly discernible. Subhas praised Gandhiji for Dandi March and Salt Satyagraha (1930).

In 1937, Gandhiji felt that Bose was a force to be reckoned with and hence he should no longer be neglected.

- He was further convinced that Subhas alone could be an instrument in the split of the Congress.
- Hence he decided to elect Subhas as the president of the Indian National Congress even when Subhas was not a member of that party.
- In the 51st session of the Congress held at Haripura in 1938, Subhas was unanimously elected as the President.
- Unfortunately both for the Congress and the country, the alliance between Bose and Gandhi remained precarious.
- Subhas not only condemned Gandhi's favorite Charkha but gave a call to modernise India.
- He called upon the people to get united for an armed struggle against the Britishers.

In the midst of the hostile situation Subhas resigned the presidentship of the Congress on 29th April, 1939, and immediately proceeded to form a radical party bringing the entire left wing under one banner.

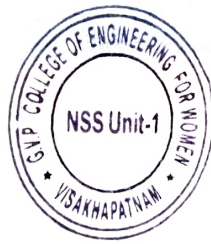

THE LAST MEETING OF SUBHASH AND GANDHI

Three months after the Ramgarhi anti-compromise conference and just after the Nagpur Forward Bloc conference, Subhash went to Sevagram, in Wardha on 20th June 1940 to appeal to Gandhi for the very last time to lead the congress in the international crisis and thus utilize this opportunity for India's benefit but all his ardent appeals went in vain.

Life and Contribution of Netaji

N.Ramya
323103282069
CSM-2A

Childhood of Netaji

- Subash chandra bose is considered as the most influential freedom fighter with extraordinary leadership skills.
- He came from a well-educated and affluent family, and his father was a lawyer and a prominent leader in the Indian National Congress.

- Subhas Chandra Bose was born on 23 January 1897 in Cuttack, Odisha.
- He was the ninth child of Janakinath Bose and Prabhavati Devi.
- Subhas Chandra Bose was a bright student who completed his BA in Philosophy from the Presidency College in Calcutta.

- He raised the first Indian National Army (INA), Azad Hind Fauj in 1943.
- His famous slogans are 'tum mujhe khoon do, main tumhe aazadi dunga', 'Jai Hind', and 'Delhi Chalo'.

How netaji Inspired the Indian Army?

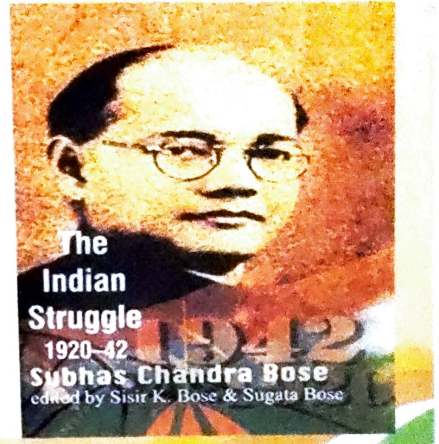

- He inspired youths to be the part of freedom struggle of India and get independence from british colonial rule .
- **Bose's goal** was to use the INA to fight for the independence of India.

- **Emilie Schenkl** (26 December 1910 – 13 March 1996) was an **Austrian stenographer, secretary and trunk exchange operator**. She was the **wife of Subhas Chandra Bose**, an Indian nationalist leader.

- **The Indian Struggle**, book by the Indian nationalist leader **Netaji Subhash Chandra Bose** that covers the **1920–1942** history of the Indian **independence** movement to end British imperial rule over India.

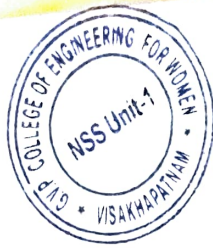

Death of Netaji

- Subhas chandra bose **died on August 18, 1945** due to **plane crash** accident.

Thank you

National Girl Child day

Date: 24-01-2024

Date: January 24, 2024

Chief Guest: Dr. K.UMA, Gynaecologist, GVP Health Care & Medical Technology.

Introduction

National Girl Child Day, observed annually on January 24th in India, is a significant occasion aimed at raising awareness about the rights and welfare of girls. This day emphasizes the importance of gender equality, empowerment, and the elimination of discrimination against the girl child. As a gynaecologist at GVP Health Care & Medical Technology, it is crucial to understand and advocate for these issues, particularly in the context of our institution's diverse student body.

Objectives of National Girl Child Day

1. **Promote Gender Equality:** Raise awareness about the value and potential of girl children in all aspects of life.
2. **Combat Discrimination:** Address and reduce gender-based discrimination and bias.
3. **Enhance Educational Opportunities:** Encourage the empowerment of girls through education and professional development.
4. **Support Health and Well-being:** Highlight the importance of healthcare and reproductive rights for girls and women.

Activities and Observations:

1. **Awareness Seminar:** On January 24th, a seminar was conducted in collaboration with the GVP Health Care & Medical Technology. The session covered the significance of National Girl Child Day with a focus on healthcare and educational opportunities. As a gynaecologist, she provided insights into the

importance of reproductive health education and the role of medical professionals in supporting girls' health and well-being.

2. **Health and Wellness Workshop:** A workshop was organized to provide female students with practical knowledge about reproductive health, hygiene, and preventive care and also conducted a session on menstrual health, contraceptive choices, and addressing common myths and misconceptions.

Conclusion

National Girl Child Day serves as a powerful reminder of the ongoing need to advocate for gender equality and the well-being of girls. At GVPCEW, we are committed to fostering an inclusive environment that supports the growth and empowerment of all students. She also addresses the challenges and implementing targeted initiatives, so that the students can contribute to a more equitable future for the next generation.

REPORT ON NATIONAL VOTERS DAY 2024

The National Voters Day has been celebrated on January 25th every year since 2011 to mark the foundation day of Election Commission of India and to bring awareness on the importance of voting among youth. In view of the 14th National Voters Day 2024 celebrations with the theme "Nothing like voting, I vote for sure", our college has conducted debate and essay writing competition on the topics: necessity of voting and election & youth respectively. A total of 26 students from various branches have participated in both the competitions. Prizes to the winners were given on 26th January as a part of Republic day celebrations.

Jury Members:

1. Dr. R. Neelima, Assistant Professor, BS&H dept.
2. Mrs. K. Valli Sri, Assistant Professor, BS&H dept.
3. Mr. C.R.Rao, Assistant Professor, BS&H dept.

A Lecture by Dr V.Sujatha, MD, DM (Cardiology), Chief Cardiologist - Indus Hospital, Consultant Cardiologist- GVP Health Care & Medical Technology on Cardio Vascular diseases.

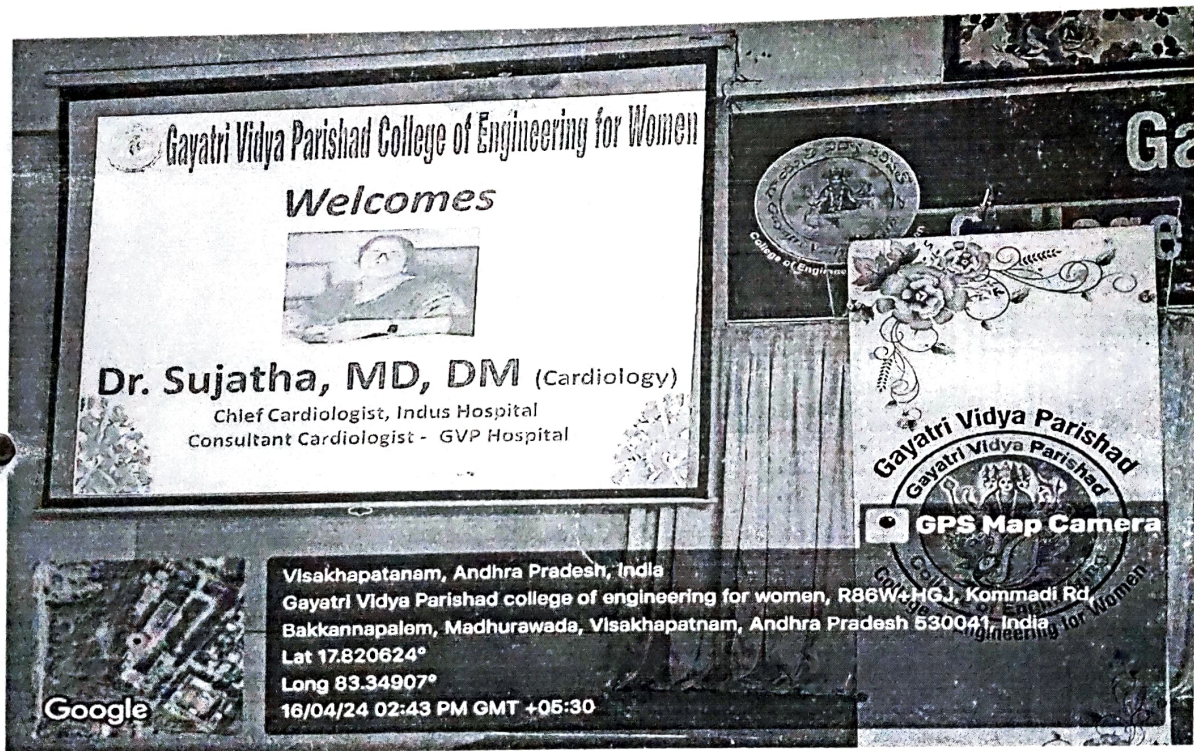

Date: 16-04-2024

Chief Guest: Dr V.Sujatha, MD, DM (Cardiology), Chief Cardiologist

Indus Hospital, Consultant Cardiologist

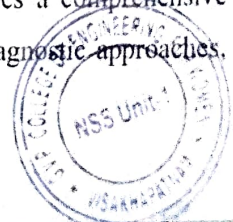

GVP Health Care & Medical Technology

Key Points: Briefed about Cardiovascular Diseases, Symptoms, Risk factors, Prevention

1. Introduction

Cardiovascular diseases (CVDs) represent a group of disorders affecting the heart and blood vessels. They are a leading cause of morbidity and mortality worldwide. This report provides a comprehensive overview of cardiovascular diseases, including their types, risk factors, symptoms, diagnostic approaches, treatment options, and preventive measures.

2. Types of Cardiovascular Diseases

1. Coronary Artery Disease (CAD)

- **Description:** CAD is caused by the buildup of plaque in the coronary arteries, leading to reduced blood flow to the heart muscle.
- **Symptoms:** Chest pain (angina), shortness of breath, and, in severe cases, heart attack.

2. Hypertension (High Blood Pressure)

- **Description:** A condition characterized by consistently elevated blood pressure, which can damage blood vessels and lead to heart disease.
- **Symptoms:** Often asymptomatic, but severe cases may cause headaches, shortness of breath, and nosebleeds.

3. Heart Failure

- **Description:** A condition where the heart is unable to pump effectively, leading to insufficient blood flow to meet the body's needs.
- **Symptoms:** Shortness of breath, swelling in the legs and ankles, fatigue, and fluid retention.

4. Arrhythmias

- **Description:** Abnormal heart rhythms, including atrial fibrillation, ventricular tachycardia, and bradycardia.
- **Symptoms:** Palpitations, dizziness, fainting, and shortness of breath.

5. Stroke

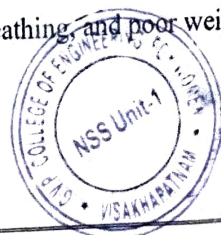

- **Description:** Occurs when blood flow to a part of the brain is interrupted, leading to brain cell damage.
- **Symptoms:** Sudden numbness or weakness, confusion, trouble speaking, and severe headache.

6. Peripheral Artery Disease (PAD)

- **Description:** Narrowing of the peripheral arteries, usually in the legs, leading to reduced blood flow.
- **Symptoms:** Pain in the legs when walking, numbness, and sores that do not heal.

7. Congenital Heart Defects

- **Description:** Structural abnormalities of the heart present from birth.
- **Symptoms:** Can vary widely but may include cyanosis, rapid breathing, and poor weight gain in infants.

GAYATRI VIDYA PARISHAD COLLEGE OF ENGINEERING FOR WOMEN

(Autonomous)

Madhurawada :: Visakhapatnam – 530 048

(Approved by AICTE, New Delhi and Affiliated to Andhra University, Visakhapatnam)

CSE, ECE and IT Courses Accredited by NBA (2019-2022) and Re-accredited by NBA (2022-2025)

EEE Branch Accredited by NBA (2023-2026)

Accredited by NAAC with grade 'A' from 2022 to 2027

3. Risk Factors

1. Modifiable Risk Factors

- Hypertension
- Hyperlipidaemia
- Smoking
- Diabetes Mellitus
- Obesity
- Physical Inactivity
- Poor Diet

2. Non-Modifiable Risk Factors

- Age
- Gender
- Family History

4. Symptoms

- Chest Pain
- Shortness of Breath
- Palpitations

How to Prevent:

1. Primary Prevention

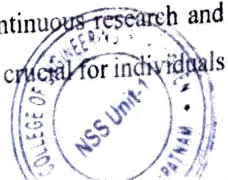

- **Healthy Lifestyle:** Maintaining a balanced diet, regular exercise, and avoiding smoking.
- **Regular Screenings:** Monitoring blood pressure, cholesterol levels, and glucose.

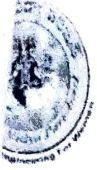

2. Secondary Prevention

- **Medication Adherence:** Following prescribed treatments to manage existing conditions.
- **Cardiac Rehabilitation:** Structured programs to improve health post-cardiac events.

7. Conclusion

Cardiovascular diseases pose significant health challenges but can be managed and often prevented through lifestyle changes, early detection, and appropriate medical interventions. Continuous research and advancements in treatment options are vital in reducing the impact of these diseases. It is crucial for individuals

No. NSS(2)/NSS Activities/2024

Date: 22.01.2024.

To
The Principals
Having NSS Units under Andhra University

Dear Sir/ Madam,

Sub: NSS Cell, A.U.- Conduct of NSS Activities from 23.01.2024 to 26.01.2024-
Reg.

As per the directions of the Ministry of Youth Affairs and Sports, Govt. of India, the NSS Units under Andhra University jurisdiction organise NSS activities every year in the successful manner. Our NSS activities and participation of NSS Volunteers are appreciated by the Hon'ble Vice- Chancellor of Andhra University as well as State NSS Cell, Govt. of A.P. and the Ministry of Youth Affairs and Sports, Govt. of India.

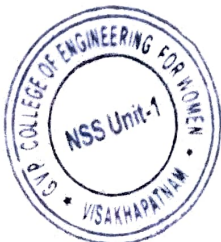

As part of NSS activities, the Ministry of Youth Affairs and Sports, Govt. of India suggested to all the Universities to celebrate the following events under your jurisdiction.

S. No.	Name of the activity	Date of activity
1.	Parakrama Diwas (Birth Anniversary of Shri Nethaji Subash Chandra Bosh)	23.01.2024
2.	National Girl Child Day	24.01.2024
3.	National Voter's Day	25.01.2024
4.	Republic Day	26.01.2024

Hence, you are requested to celebrate the above events in your college Campuses/ Adopted villages/ Slums and share the activity photos and videos to the NSS Cell, Andhra University, Visakhapatnam for onward submission to the Ministry. Further, the NSS Volunteers take the pledge on prevention of substance abuse on 26.01.2024.

This is for you kind information.

Thanking you.

To
NSS Program Officer
AUNSSCELL

Yours faithfully,

(S. Haranath)
(S. HARANATH) 22/1/24

Madhurawada : Visakhapatnam - 530 048
(Approved by AICTE, New Delhi and Affiliated to Andhra University, Visakhapatnam from 2022-2023)
(Affiliated to JNTUK, Kakinada up to 2021-2022)
Accredited by NAAC with "A" from 2022 to 2027
CSE, ECE and IT Courses Accredited by NBA (2019-2022) and Re-accredited by NBA (2022-2025)

Report of Events of Ecotech club in 2024-25

1. **Expert Talk** was organized on "Climate tank Accelerator" for students by **Ms. Sweta Patole, Student Society for Climate Change Awareness, a chapter of Seeds of peace, USA**, on 26-04-2024 in the college auditorium. The expert talk was organized by Ecotech club, GVPCEW and NSS wing of GVPCEW. During the talk Ms. Sweta Patole discussed about various topics and projects, students can undertake on climate change awareness. She gave an insight in to the various phases of submission of project proposals, funding options and incentives available. She also explained to students that they can get mentorship from leading climate experts to ideate and implement climate action project. A video was also shown to students about various activities undertaken by their organization. At the end of the session, students were keenly involved in the interaction session with the speaker.
2. Ecotech club of GVPCEW conducted an Ideathon- '**Environer**' to commemorate World Environment Day 2024- 5th June 2024, What is my Tikkun Olam? Students uploaded their ideas on the google form sent to them via email, along with pictures while doing the activity and a brief report on the activity done at their respective residences.
