# AIMERS CLUB

## DEPARTMENT OF CSE (AI&ML)

# **AIMERS: Artificial Intelligence and Machine Learning Engineers**

## **Vision:**

- To be a premier student-run organization fostering a collaborative learning environment for students pursuing Artificial Intelligence and Machine Learning at Gayatri Vidya Parishad College of Engineering For Women.
- To become a hub of innovation and intellectual exchange, empowering students to excel in their academic and professional pursuits related to AI & ML.

## **Mission:**

- To build a passionate AI & ML community through knowledge sharing and project development.
- To bridge the gap between theory and practice with workshops, guest lectures, and industry exposure.
- Nurture well-rounded individuals with strong technical skills, communication abilities, and ethical considerations in AI.
- To create an inclusive, welcoming community for all students passionate about AI and ML, making AIMERS a space for growth, learning, and shared aspirations.

## **Summary:**

AIMERS, standing for Artificial Intelligence and Machine Learning Engineers is a student-driven club dedicated to excellence in AI and ML. Through collaboration, mentorship, and a commitment to innovation, AIMERS empowers students to shape the future of AI and ML, bringing them together in a shared journey of knowledge and achievement.

## AIMERS CLUB ANNUAL REPORT ACADEMIC YEAR 2023-24

## DEPARTMENT OF CSE (AI&ML)

## TEAM MEMBERS DETAILS

Position	Name
President	Swapna Dande
Vice-President	M Prasanthi
Secretary	Premonvitha Sai Rayana
Joint Secretary	M Keerthi
Treasurer	Ch. Meenaskhi
Event Managers	
Tech Innovative Lead	G S S Nandini
TI Members	Varshita Neelapu
	M Yasaswini
	B Poojitha
Open Source Contributor Lead	S Deepika
OSC Members	D Bharathi
	G Jayashree
	N Shanmukh Priya
Social Media Lead	B Sweta Evangeline
SM Members	G Evangeline
	D V G Harika
	R Gayatri
Student Innovators Lead	E. Nandini
SI Members	J Sravanthi
	I Greeshma Sai
	Sirisha Arangi
Social Coordinator Lead	Lathifunnisha
SC Members	V Sai Geethika
	Prasuna Pappala
	Gummalla Divya Kusuma
Knowledge Exchange Hub Lead	Bhavya Gajjarapu
KEH Members	Sreya Devarapalli
	Pamarthi Lakshmi Sravani

# TEAM EXPLANATION

## 1. Tech Innovators:

- **Responsibilities:** Sharing insights on cutting-edge technologies, innovative methods, and tech journeys.
- **Focus Areas:** Artificial Intelligence, Machine Learning, AR, VR , Big Data, emerging technologies.
- **Tasks:** Curating and disseminating tech-related content, staying updated on industry trends, and showcasing technological advancements.
- **Examples:** Organizing workshops on AI, ML, AR/VR, hosting talks by industry experts, sharing articles and resources on emerging technologies.

## 2. Open Source Contributors:

- **Responsibilities:** Facilitating coding support, fostering innovation, and providing platforms for collaboration.
- **Focus Areas:** Open-source projects, coding communities, resolving coding queries.
- **Tasks:** Engaging with coders, offering coding resources, organizing coding events, and encouraging contributions to open-source projects.

## 3. Social Coordinators:

- **Responsibilities:** Curating engaging content for social media, assisting non-tech individuals in content creation, and promoting opportunities.
- **Focus Areas:** Social media content creation, community engagement, event promotion, Resume writing.
- **Tasks:** Creating compelling content, coordinating outreach efforts, and fostering community interaction, concentrating on resume building, and strong communication skills.
- **Examples:** Creating career-oriented content, organizing workshops on resume writing and communication skills, connecting individuals with relevant job opportunities, providing resources for career development.

#### 4. Social Media Handlers:

- **Responsibilities:** Ensuring timely and engaging social media posts, fostering engagement with followers, and amplifying event visibility.
- **Focus Areas:** Event promotion, real-time updates, follower engagement.
- **Tasks:** Posting event updates, engaging with followers, responding to inquiries, and leveraging social media platforms for event promotion.
- **Examples:** Creating engaging content for social media platforms, promoting upcoming events, responding to comments and messages, conducting live Q&A sessions.

#### 5. Student Innovators:

- **Responsibilities:** Empowering students to explore new ideas, seize opportunities, and innovate.
- **Focus Areas:** Student engagement, innovation support, mentorship.
- **Tasks:** Providing guidance on project ideas, organizing innovation workshops, connecting students with resources, and fostering a culture of innovation.
- **Examples:** Organizing ideation sessions, conducting brainstorming workshops, connecting students with mentors and industry experts, providing resources for project development.

#### 6. Knowledge Exchange Hub:

- **Responsibilities:** Providing academic support and guidance to students who need assistance.
- **Focus Areas:** Academic mentorship, subject tutoring, study skills development.
- **Tasks:** Offering tutoring sessions, organizing study groups, providing resources for academic improvement, and offering guidance on academic challenges.
- **Examples:** Conducting doubt-clearing sessions, organizing subject-specific workshops, sharing study materials and resources, providing guidance on project development.

# AIMERS CLUB ACTIVITIES

## 1. Puzzle Bug Fusion Challenge (Technical):

- **Date:** October 11th, 2023
- **Timings:** Evening 4:00pm to 4:30pm
- **Overview:** The technical event tested participants on programming and computer science basics through multiple-choice questions. It also included exercises where participants had to find and fix errors in code snippets.
- **Objective:** The challenge aimed to evaluate and improve participants' problem-solving skills, programming abilities, and understanding of computer science principles. It provided tasks covering various areas, helping participants refine their coding skills. By engaging in these kind of activities, participants deepened their understanding of programming concepts
- **Winner: Konki Priyadarshini (2 CSM -1)**

## 2. Girls Internal Hackathon (Technical-Ideathon):

- **Date:** November 11th-13th, 2023
- **Overview:** The ideathon provided a unique platform for participants to explore diverse domains and generate innovative ideas collaboratively. It emphasized inclusivity, aiming to create a supportive environment where everyone could contribute their perspectives..
- **Objective:** The hackathon aimed to stimulate creativity, collaboration, and ideation skills among participants. It focused on inspiring innovative thinking and developing solutions to real-world challenges within a supportive environment. A key goal was to encourage female student participation to bridge the gender gap in the tech sector.
- **Winners :**
  1. **Madhugna Vedula(2 CSM-2)**
  2. **Tina Maheswari Kandrapu( 2 CSM-2)**

### 3. Storytelling Event (Non-Technical):

- **Date:** November 20th, 2023
- **Overview:** The platform allowed AIMERS members to showcase their diverse talents beyond just technical skills. Through storytelling, members shared personal experiences and passions, emphasizing communication, creativity, leadership, and empathy. Unlike traditional platforms, this one focused on the multifaceted nature of its members, fostering community and understanding. It provided a space for authentic expression, encouraging members to share values, beliefs, and aspirations.
- **Objective:** The event aimed to promote inclusivity, creativity, and communication skills in the AI & ML field. It recognized that success in this domain relies on more than just technical knowledge. By embracing diverse talents and backgrounds, the event aimed to create an inclusive environment. Additionally, the event focused on enhancing communication skills, crucial for presenting research and collaborating effectively. Overall, it aimed to empower participants to succeed in AI & ML by fostering a diverse skill set and inclusive community.
- **Winner :** Konki Priyadarshini (2 CSM-1)
- **Runner :** P Rupa Sri (2 CSM-2)

# INAUGURATION DAY

## Unveiling **AIMERS** - Artificial Intelligence & Machine Learning Engineers

- **Date:** 23rd November 2023
- **Venue:** Gayatri Vidya Parishad College of Engineering for Women (GVPCEW)
- **Start Time:** 11:00 AM
- **Agenda Of The Program**
  - **11:00 -11:05:** Inviting Dignitaries to the Dias
  - **11:06 -11:09:** Prayer Song
  - **11:10 -11:15:** Lighting the Lamp
  - **11:16-11:24:** Report and presentation of **AIMERS** activities by the students
  - **11:25-11:30:** Badges Distribution of **AIMERS** by Dignitaries
  - **11:31-11:36:** Address by president
  - **11:37-11:42:** Address by HOD sir
  - **11:43-11:48:** Address by Dean of R & D Dr.K.Raja Rajeswari mam
  - **11:49-11:51:** Introduction of Guest of honor
  - **11:52-11:57:** Address by Guest of honor
  - **11:58-12:00:** Introduction of chief guest
  - **12:00-12:05:** Address by chief guest
  - **12:06-12:16:** Felicitation
  - **12:17-12:27:** Prize distribution
  - **12:27-12:30:** Vote of thanks by vice-president
  - **12:30-12:50 :** Guest lecture by Tirumalesh Konathala sir
  - **1:30:** Cultural

**1. Inviting Dignitaries to the Dias (11:00 - 11:05):** The event commenced with the welcoming of esteemed dignitaries to the stage, setting the tone for the auspicious occasion.

**2. Prayer Song (11:06 - 11:09):** A solemn moment of prayer, setting a reflective ambiance for the proceedings

**3. Lighting the Lamp (11:10 - 11:15):** Symbolic of enlightenment and auspicious beginnings, the lamp was lit by the dignitaries, marking the inauguration of the event

**4. Report and Presentation of AIMERS Activities (11:16 - 11:24):** Students presented a comprehensive report detailing the activities and vision of the AIMERS club, shedding light on their endeavors in the realm of Artificial Intelligence and Machine Learning. Moreover, they elaborated on the club's journey, starting from the meticulous selection of its name to the careful selection of its members, providing a thorough account of every step taken along the way.

**5. Badges Distribution of AIMERS (11:25 - 11:30):** Dignitaries presented badges to our team of AIMERS, recognizing their dedication and leadership.

## **6. Addresses by Key Figures:**

**- President's Address (11:31 - 11:36):** The President, Ms. Swapna, addressed the audience, expressing her experience in leading the club.

- **HOD's Address** (11:37 - 11:42): Dr. Dwiti Krishna Bebarta, HOD of CSM, delivered a speech offering his support and guidance.

- **Address by Dean of Research & Development** (11:43 - 11:48): Dr. K. Raja Rajeswari, Dean of Research & Development, provided an inspirational message.

- **Introduction and Address by Guest of Honor** (11:49 - 11:57): Introduction of the Guest of Honor, Mr. Alok Soni, followed by his speech.

- **Introduction and Address by Chief Guest (11:58 - 12:05):** Introduction of the Chief Guest, Mr. Tirumalesh Konathala, followed by his speech.

**7. Felicitation (12:06 - 12:16):** The felicitation of the Chief Guest and Guest of Honor by the department heads, which include the Vice Principal, the Dean of Research and Development, and the Head of Department for CSE (AI&ML), will serve as a formal gesture of respect and appreciation towards their distinguished presence and invaluable contributions to the event and the field of education.

**8. Prize Distribution (12:17 - 12:27):** In the journey through CSM, filled with challenges and opportunities like hackathons and competitions, AIMERS organized events to boost student participation in technical and ethical fields. Dignitaries rewarded outstanding achievements, motivating students to excel in different areas.

**9. Vote of Thanks (12:27 - 12:30):** The Vice President extended gratitude to all participants, organizers, and dignitaries for their invaluable contributions to the success of the event.

**10. Guest Lecture by Tirumalesh Konathala (12:30 - 12:50):** An enriching session by the Chief Guest provided insights into emerging trends in the field of technology

**11. Cultural Program (1:30 onwards):** The cultural extravaganza captivated the audience, igniting a shared appreciation for diversity and talent, and fostering a warm atmosphere of togetherness

### Event Highlights:

- Unveiling of AIMERS - Artificial Intelligence & Machine Learning Engineers, marking a significant milestone in the college's journey.
- Inspiring addresses by eminent personalities, motivating students to strive for excellence.
- Recognition of student achievements through badge distribution and prize ceremonies.
- Enriching guest lecture providing valuable insights into the future of technology.
- Cultural program showcasing the vibrant talent within the college community.

## **ECLATA Events Report : “Innovative Insights: Let Your Posters Speak”**

Electronics and Communication Learners and Teachers Association (ECLATA) has been at the forefront of fostering technical excellence and innovation within our department. Over the course of 2023 and 2024, we organized a series of impactful events aimed at enhancing technical knowledge, encouraging creative thinking, and building a vibrant academic community.

This report highlights the events conducted during my tenure (S.Himavarshini and K.Nikitha) as the ECLATA lead, detailing the objectives, participation, and outcomes of each initiative.

### **Report on event “POSTER PRESENTATION”**

The **ECLAT-A Club** of the Department of Electronics and Communication Engineering, Gayatri Vidya Parishad College of Engineering for Women (Autonomous), Madhurawada, Visakhapatnam, organized an event ‘Know Your Scientist’ on **23<sup>rd</sup> of September** from **1:40pm** for the **II ECE -1** students of our college. The name of the event is ‘**Poster presentation**’. Participants were tasked with preparing posters on emerging technologies in electronics and communication. The event was graced by the principal, who appreciated the students’ efforts. The quality of work showcased was exceptional, receiving positive feedback from attendees.

### **Event Highlights:**

- **Student Participant Details:**

<b>S.No.</b>	<b>Participant Details</b>	<b>Count</b>
<b>1.</b>	<b>Total Number of Students (2rdYear)</b>	<b>60</b>

## Winners:

- **First Place:** V.Visalakshi ,K.Tejevathi , K.Vasundhara , G.Ashritha
- **Second Place:** Varshini Saranya, K.Meghana , M.Pranathi , Varsha

## ECLATA Events Report : )"TECHQUIZ 2024: Challenge Your Knowledge".

Electronics and Communication Learners and Teachers Association (ECLATA) has been at the forefront of fostering technical excellence and innovation within our department. Over the course of 2023 and 2024, we organized a series of impactful events aimed at enhancing technical knowledge, encouraging creative thinking, and building a vibrant academic community

This report highlights the events conducted during my tenure(S.Himavarshini and k.Nikitha) as the ECLATA lead, detailing the objectives, participation, and outcomes of each initiative.

### Report on event "TECHNICAL QUIZ"

The **ECLAT-A Club** of the Department of Electronics and Communication Engineering, Gayatri Vidya Parishad College of Engineering for Women(Autonomous), Madhurawada, Visakhapatnam, organized an event 'TECHNICAL QUIZ' on **8<sup>th</sup> of August** from **1:40pm** for the **II ECE -1** students of our college.

The name of the event is '**TECHNICAL QUIZ**'. This quiz tested participants on the fundamentals of electronics and communication engineering. The event fostered a competitive spirit among students and encouraged them to enhance their technical knowledge.

### Event Highlights:

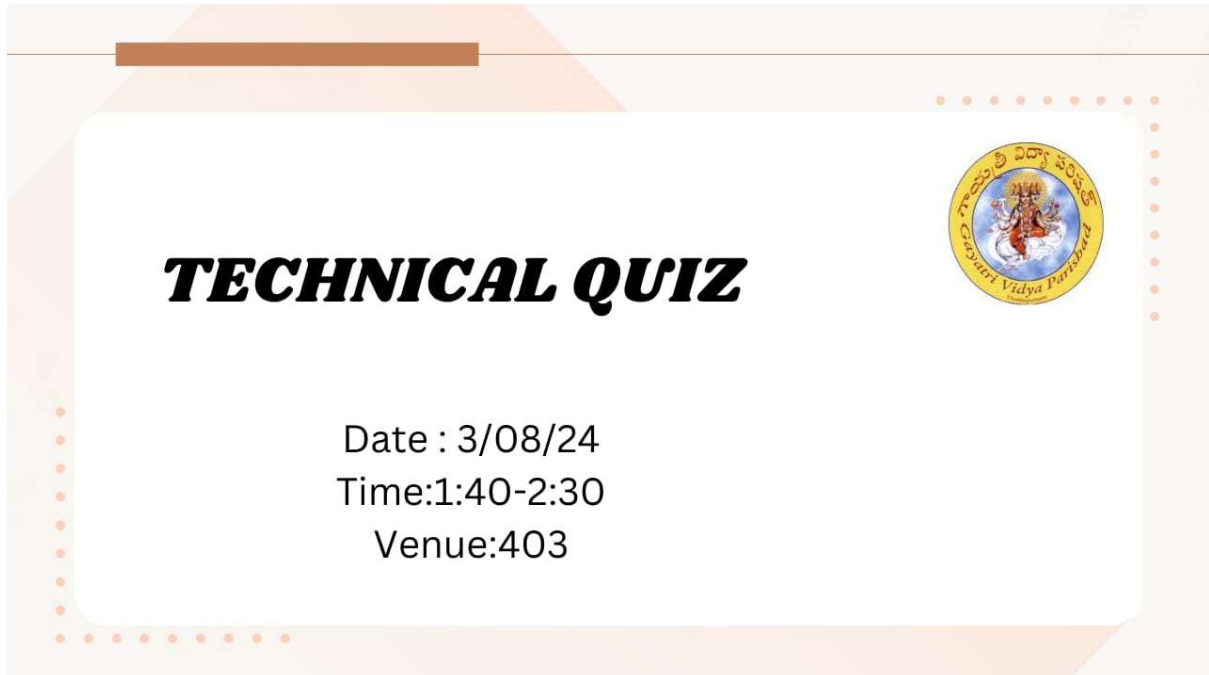

- Student Participant Details:

S.No.	Participant Details	Count
1.	Total Number of Students (2rdYear)	66

## Winners:

- **First Place:** P. Vasundhara
- **Second Place:** G.Hema Likitha

## EVENT FLYER:

## ECLAT-A CLUB

**Date: 03 – 08 – 2024**

### CIRCULAR

We are happy to inform to 3<sup>rd</sup> BTech ECE students of GVP College of Engineering for Women that the ECLAT-A Club is organizing a **Technical Quiz** on 3rd August 2024 from 1.00pm to 2.00pm.

**Certificates will be given to the Winners by the ECLAT-A club of ECE Department, GVPCEW**

Interested students are required to fill the Google Form link provided here.

<https://forms.gle/grQffvwZykb6bWoGA>

Last date for registration through Google Form is 26<sup>th</sup> August 2022, before 5pm. For further clarifications, contact the following faculty/student members.

1. Dr.B.VIJAYALAKSHMI, Associate .prof
2. Mr.N.V.MAHESHWARA RAO ,Asst.prof

## **ECLATA Events Report: Celebrating Innovation and Knowledge Sharing (2023-2024)**

Electronics and Communication Learners and Teachers Association (ECLATA) has been at the forefront of fostering technical excellence and innovation within our department. Over the course of 2023 and 2024, we organized a series of impactful events aimed at enhancing technical knowledge, encouraging creative thinking, and building a vibrant academic community

### **Report on event ‘Geek Speaks’**

The **ECLAT-A Club** of ECE Department organized this event on 31-10-2023 from 3:20pm for **II<sup>nd</sup> Year ECE** students.

The name of the event is ‘Geek Speaks’ Which is similar to snake and ladder game. After every throw participant gets a technical question to answer. If they answer it correctly they are awarded with extra throw.

After each match winner is selected and these winners played the final round together.

## **Event Highlights:**

- Student Participant Details:

S.No.	Participant Details	Count
1.	Total Number of Students (3rdYear)	10
2.	Total Number of Students received Certificates	1

## **Winner of the event is**

## SPIKE EVENTS REPORT (2023-24)

Speaker: A. LAHARI (20JG1A1201)

A very pleasant afternoon to the dignitaries, faculty members and all my dear friends present here.

I A. LAHARI, Secretary of SPIKE, stand before you to present a report on the activities conducted by the SPIKE club in the current academic year.

In the current academic year, the club has organized five events for the students.

### EVENT-1: SERVERLESS COMPUTING

This event on Serverless Computing is about Image Resizing using Amazon S3 and sending mass emails using amazon simple email service and various services. This event makes students to improve their skills and explore Amazon Web Services and gain knowledge about it. It also provides hands-on experience for students. A total of 58 students have participated in this event.

### EVENT-2: PROGRAMMING ON AWS

The event on Programming on AWS is about Building, Designing and Deploying an End-to-End web application that takes a base and an exponent as input and provides the result using AWS services and AWS-based pizza ordering chatbot that allows users to place pizza orders through natural language conversations. The chatbot should be capable of understanding and processing user requests, customizing pizza orders and providing order confirmations. This makes students to improve their skills and explore Amazon Web Services and gain knowledge about it. A total of 57 students have participated in this event.

### EVENT-3: CREATING A CV USING CANVA

The third event is Creating a CV using CANVA. It is a user-friendly and efficient process that allows individuals to craft visually appealing and professional resumes. The platform provides a diverse range of templates,

Department of Information Technology

customization options, and design elements to cater to various industries and personal preferences. With the ability to easily input and edit information, upload photos, and incorporate additional sections, Canva empowers users to tailor their CVs to showcase their unique skills and experiences. Canva's accessibility makes it a valuable tool for individuals seeking a visually impactful and professionally crafted CV. A total of 52 students from III year and 62 students from II year have participated in this event.

### EVENT-4: PROGRAMMING QUIZ

The fourth event we conducted is a programming quiz to test and enhance the programming skills which are very vital in today's competitive world. To make it an interesting session, we conducted a quiz based on various programming languages. The programming skills included C, Java, OS and Linux. Also, the challenges include Aptitude, MCQ on programming theory and pattern identification. The opportunity to learn a lot, including how to understand the logic behind different code snippets, kept students interested. A total of 50 students from II year have participated and 3 winners were declared based on the highest grade.

### EVENT-5: POSTER PRESENTATION USING CANVA

The fifth event is to Posters Presentation using CANVA based on the topics AI in Health Care, 5G Technology and its impact. For "AI in Health Care," the poster can highlight the transformative potential of artificial intelligence in revolutionizing diagnostics, personalized medicine, and patient outcomes. On the other hand, the "5G Technology and its Impact" poster can showcase the game-changing features of 5G, its diverse applications across industries, and the profound benefits it brings to connectivity and technological advancement. The winners were selected based on creativity, attraction, related content and presentation of the posters. A total of 47 students from II year have participated and 6 members have been selected as winners and a total of 56 students have participated from III year and 8 members were selected as winners.

## **TESLA INAUGURATION REPORT**

**Event:** Inauguration of TESLA, 2023.

**Date:** 25-11-2023

**Guest:** Dr. B. SHIVARAMA RAO

Head of Data Engineering and Machine Learning,  
Akrivia Automation Pvt. Ltd.

Visakhapatnam.

On the inauguration of TESLA, the Department of Electrical and Electronics Engineering (EEE) at GVPCEW came together to mark the beginning of the new academic year, led by the Student Association of the department, TESLA, on the morning of Saturday, November 25, 2023.

The Vice Principal, Dr. G. Sudheer, along with Dr. R.V.S Lakshmi Kumari, Head of the Department, and the Guest, initiated the event by lighting the lamp.

The session commenced with a prayer song performed by the students. The vice principal expressed his views about the institution, stating that it is a privilege to be part of TESLA—an organization that facilitates students' holistic development. The institution's objective is to foster oriented and technically skilled students. Through TESLA, students can acquire knowledge, skills, and experience in communication, problem-solving, presentation, and the art of public speaking. Therefore, he encouraged students to actively participate in all activities and develop their skills.

The Head of the Department also addressed the gathering and mentioned the significance of TESLA as a valuable platform for students in the branch to showcase their abilities and enhance their knowledge. She spoke briefly about the achievements of the previous year's students, extending congratulations to those who secured placements in top multinational companies. Madam expressed pride in being a part of the association and commended the accomplishments of the previous year. She encouraged active participation in group activities, emphasizing that each participant would Savor the academic aspects of all programs and gain heightened confidence levels. Wishing the program to be a grand success.

The new Tesla Secretary provided an overview of the Tesla activities conducted throughout the academic year 2022-2023, listing all the events and initiatives undertaken.

Subsequently, the new Tesla President delivered a speech expressing her eagerness to be part of the Tesla Association. She shared her innovative ideas and outlined various activities she wishes to see implemented in the future.

The chief guest, **Dr. B. Shivarama Rao**, an industrial expert actively engaged in projects such as "Machine Learning Methods for Microgrid Protection," "Aspect-Based Sentiment Analysis," and "Resume Ranking Module," shared his extensive experience during the event.

Dr. B. Shivarama Rao holds an M. Tech degree from IISC, Bangalore, and a Ph.D. in Electrical Engineering from IIT, Bhilai. His research primarily focuses on Machine Learning methods in Micro Grid Protection, and he has published in reputable journals such as IEEE and Springer. Notable projects he has contributed to include the Data Pipeline for HCM, Dhruva-AI-Powered LLM-Based Chatbot, and Chat-PDF Integration.

Dr. Rao not only imparted insights into his college experience but also encouraged students to pursue paths leading to innovation that promotes sustainable development and the progressive advancement of technology, despite encountering failures. Following this, he distributed

badges to the  
governing  
2023-24.  
lecture  
The se  
LEC

7

badges to the new TESLA members, marking the formation of the new governing members for the TESLA association for the academic year 2023-24. Dr. Rao proceeded to continue the event by delivering a lecture on "**Machine Learning Methods for Micro Grid Protection.**"

The session ended by winding up the lecture and with a vote of thanks.

### **LECTURE:**

With extensive experience in Data Engineering and Machine Learning, Shivarama has elaborated on Micro Grids, discussing the classification of Micro Grid Islanding Detection Methods, and providing a comparison between them. He emphasized that a Micro Grid is a group of interconnected loads and distributed energy resources within clearly defined electrical boundaries, operating as a single controllable entity concerning the grid. Micro Grids have the flexibility to connect and disconnect from the grid, facilitating operation in both Grid-Connected or island modes. The motivation for his work stems from the efficiency, low cost, cleanliness, security, and reliability of energy supply that Micro Grids offer.

Dr. B. Shivarama Rao implemented Stacked LSTM in his work, a Deep Learning technique particularly useful for learning long-term dependencies in sequence prediction problems. Stacked LSTM, a type of recurrent neural network (RNN), processes entire sequences of data, not just individual data points.

In discussing Micro Grid Islanding Detection Methods, Dr. B. Shivarama Rao outlined four categories. The first is the passive method, which uses frequency and voltage parameters but may suffer from low accuracy and a high non-detection zone (NDZ). The second is active methods, where noise or disturbance signals are injected at Distributed Energy Resources (DER), proving more accurate than passive methods. The third is hybrid methods, combining passive and active methods to enhance detection accuracy. The fourth method involves communication, transmitting islanding event detection through a low-power communication signal on the power line.

The lecture concluded with a question-and-answer session, during which students posed questions related to the covered topic, and Dr. B. Shivarama Rao provided clear and concise answers.

GAYATRI VIDYA PARISHAD COLLEGE OF ENGINEERING FOR WOMEN  
MADHURAWADA:: VISKIHAPATNAM-530048

14<sup>th</sup> September, 2023

The first meeting of Anti-ragging committee constituted for the academic year 2023-24 was held on 14<sup>th</sup> September, 2023 at 4.00 PM in the seminar hall. The chairman, co-chairman, convener cordially welcomed faculty committee members, squad members of Anti-ragging Committee (ARC) to the meeting and suggested them to take measures to prevent ragging in and outside the college campus. It was decided by all the committee members and squad members of ARC to implement the guidelines mentioned below in order to prevent the ragging in and outside the college campus.

1. Squad members are informed to make surprise visits to the hostel after college working hours.
2. Squad members are suggested to make surprise visits frequently to the college canteen, hostel mess during the college hours (lunch break).
3. Members of ARC travelling in the college bus are advised to monitor activities of senior students in the bus and near bus stops in order to prevent ragging.
4. If there are any incidents of ragging found, are to be brought to the notice of the chairman immediately.
5. The committee members are informed to conduct an awareness program among the senior students about consequences of ragging.
6. ARC members are suggested to conduct meeting with first year students to guide them, to restrict their movements and interactions, especially with strangers.
7. The committee members are asked to take the anti-ragging affidavits from the students and their parent/guardian.
8. It is required to inform list of anti-ragging committee and squad members along with their phone numbers to all the first year students.

In this regard, the convener of ARC outlined the following duties and responsibilities of Committee members and squad members.

1. Dr.P.Devendra, Ms. B Bharathi, Mr. N.V.MaheswaraRao, Mr.V.Lakshmana Rao and Mr.S.Ashok, Ms.P.Hemalatha, Mr.V.S.S.V.D.Prakash, Ms.N.Roopavathi and Ms.P.Sridevi are assigned the duty to make surprise visits to college canteen and corridors during lunch hours.
2. Ms.N.M.Gowri, Dr.Ch.S.Lakshmi and Ms.R.Sridevi are assigned the duty of surprise visits to hostel after the college working hours.
3. Ms.P.Sridevi, Ms.N.Roopavathi, Ms.P.Hemalatha, Mr.S.Ashok, Mr.V.Lakshmana Rao and Mr.N.V.Maheswara Rao were assigned the duty to make visits to hostel canteen, during lunch hours.
4. Ms.N.Roopavathi and Mr. A.SrinivasaRao are assigned the duty to monitor the students in their respective buses and the nearest bus stops.
5. All squad members need to take anti- ragging online affidavits from the students.

The schedule of visits by the ARC quad members for indentified places as below

Day	Squad at College Canteen during Lunch Hour	Squad at College Corridors (First year Block) During Lunch Hour	Squad at Hostel Canteen during Lunch Hour	Evening Visits to Hostel after 7:00PM
Monday	Mr.V.Lakshmana Rao	Mr.A.Srinivasa Rao	Ms.P.Sridevi	Ms.B.V.R.Gowri, Ms.N.M.Gowri
Tuesday	Mr.N.V.Maheswara Rao	Mr.V.S.S.V.D.Prakash	Ms.N.Roopavathi	Dr.Ch.S.lakshmi, Ms.M.Santoshi
Wednesday	Mr.S.Ashok	Mr.A.Srinivasa Rao	Ms.P.Hemalatha	Ms.R.Sridevi, Ms.M.hemalatha
Thursday	Ms.P.Hemalatha	Ms.N.Roopavathi	Mr.S.Ashok	Ms.N.M.Gowri, Ms.B.V.R.Gowri
Friday	Mr.V.S.S.V.D.Prakash	Mr.A.Srinivasa Rao	Mr.N.V.Maheswara Rao	Ms.M.Hemalatha, Ms.R.Sridevi
Saturday	Ms.P.Sridevi	Ms.P.Hemalatha	Mr.V.Lakshmana Rao	Ms.D.Santoshi, Dr.Ch.S. Lakshmi

All the other members are requested to assist the Convener, Dr.P.Devendra and Co-convener, Ms. B Bharathi to carry out the actions that are to be taken in curbing the ragging menace.

Convener of ARC

(Dr.P.Devendra)

Minutes of the Meeting

The following are the minutes of the meeting prepared for the Anti Ragging Committee Meeting held on 14<sup>th</sup> September, 2023 in Seminar hall at 4:00 PM.

1. Squad members are informed to make surprise visits to the hostel after college working hours.
2. Squad members are suggested to make surprise visits frequently to the college canteen, hostel mess during the college hours (lunch break).
3. Members of ARC travelling in the college bus are advised to monitor activities of senior students in the bus and near bus stops in order to prevent ragging.
4. If there are any incidents of ragging found, are to be brought to the notice of the chairman immediately.
5. The committee members are informed to conduct an awareness program among the senior students about consequences of ragging.
6. ARC members are suggested to conduct meeting with first year students to guide them, to restrict their movements and interactions, especially with strangers.
7. The committee members are asked to take the anti-ragging affidavits from the students and their parent/guardian.
8. It is required to inform list of anti-ragging committee and squad members along with their phone numbers to all the first year students.
9. ARC Committee members were assigned the squad duties and the schedule was forwarded to all the ARC Members.

30<sup>th</sup> September, 2023

Minutes of the Meeting

The following are the minutes of the meeting prepared for the Anti Ragging Committee  
Meeting held on 30<sup>th</sup> September, 2023 in Seminar hall at 4:00PM.

- Senior students were instructed not to indulge in ragging.
- Consequences of ragging were explained.
- ARC student members are advised to monitor the activities in college buses, college canteen and Hostel.
- If there are any incidents of ragging found, are to be brought to the notice of the Chairman/Convener / Co-Convener immediately.

  
Convener of ARC  
(Dr.P.Devendra)

## Institute Innovation Council 6.0 Activities

The report provides an overview of the various events and activities organized under the Institute Innovation Council 6.0 for the year. Each event contributed to fostering innovation, entrepreneurship, and professional growth among students and faculty.

### List of Events organized under Institute Innovation Council 6.0

S.No	Type of Activity	Event Date	Name of the Event (As per IIC Calander)
1.	IIC calendar	20-03-2024	Workshop on “Entrepreneurship and Innovation” as Career Opportunity
2.		03-04-2024	My Story - Motivational Session by Successful Innovators
3.		24-08-2023	Exposure and field visit for problem identification
4.		28-09-2023	Mentoring Event: Demo Day/Exhibition/Poster Presentation of Ideas/PoC ...
5.		09-05-2024	Field/Exposure Visit to Pre-incubation units such as Idea Lab, Fab lab, ...
6.		20-12-2023	Organize an Inter/Intra Institutional Innovation Competition/Challenge/Hackathon...
7.		11-05-2024	Mentoring Event: Demo Day/Exhibition/Poster Presentation of Innovations/Prototypes ...
8.		26-04-2024	Workshop on Intellectual Property Rights (IPRs) and IP management for start up
9.		06-01-2024	Organize an Inter/Intra Institutional Business Plan Competition and Reward Best Innovations.
10.		27-06-2024	Session on Innovation/Prototype Validation – Converting Innovation into a Start-up or Session on Achieving “Value Proposition Fit” & “Business Fit”
11.		03-07-2024 to 05-07-2024	Session on Accelerators/Incubation - Opportunities for Students & Faculties – Early-Stage Entrepreneurs
12.		10-07-2024 to 12-07-2024	Organize Session on “Lean Start-up & Minimum Viable Product/Business”- Boot Camp (or) Mentoring Session
13.	MIC Driven	6-01-2024	IIC Regional Meet 2023-2024

**REPORT**  
**ON**  
**INDUSTRY INSTITUTE PARTNERSHIP CELL**  
**(IIPC)**

**GAYATRI VIDYA PARISHAD**  
**COLLEGE OF ENGINEERING FOR WOMEN**

**VISAKHAPATNAM – 530 048**

**ANDHRAPRADESH**

**2023-24**

## **Preamble**

Industry Institute partnership cell (IIPC) is sectioned by All Indian Council for Technical Education (AICTE) for enhancing the relationship between the Institute and Industry. The Cell acts as an interface between the Institute and industries for the mutual benefit. It facilitates seminars, industrial visits, workshops & industrial internships for the students. Further, it makes students industry-ready by providing exposure to current industry practices, and improves their skills to adapt changing technologies.

## **Objectives**

- Develop working Interaction between the academic institution and industrial organization by exchange of experience and knowledge.
- Structure of the academic program update to suit to the immediate and long term needs of industries of this region.
- Meet the technical personnel needs of the local or industries of the region.
- Employability of the trained students can be augmented.
- Provide hands-on-training to the students in industrial practices.
- Provide society with improved quality of goods and services.

In order to achieve the above mentioned objectives, the following activities have been proposed by the Cell at GVP College of Engineering for Women.

- Developing close links between Industry-Institute through interaction programs like expert talks.
- Supporting the students for carry out Internships during their semester breaks
- Memoranda of Understanding (MoU) between the Institute and industries to bring closer relations on the subjects of mutual interests
- Arranging Industrial visits for the students & faculty.
- Student completions.
- Organizing the workshops and guest lecturers with industry experts & Academicians
- Facilitating professional consultancy projects by the faculty
- Joint research programmes and field studies by faculty and people from industries

**Activities during Academic Year 2023-24****Expert talks and student workshops with Industry people**

<b>S.No</b>	<b>Name of the Industry /R&amp;D expert</b>	<b>Topic</b>	<b>Date</b>	<b>Department &amp; Students details</b>
1	Dr. B. SHIVARAMA RAO Head Data Engineering and Machine Learning, Akrivia Automation Pvt. Ltd. Visakhapatnam.	Machine Learning Methods for Microgrid Protection Aspect-Based Sentiment Analysis	25-11-2023	II ,III ,IV EEE
2	Dr. Srikanth Yerra, Senior Power Electronics Staff Engineer ,Infineon Technologies, USA	Three level Multiphase DC-DC converter for high bandwidth envelope tracking applications and also career opportunities in power electronics	07-03-2024	II ,III EEE

**CPR Awareness**

An Awareness Program on CPR Awareness

Venue: GVP Health Care & Medical Technology.

Cardiopulmonary resuscitation (CPR) is a hands-on emergency intervention used to restore breathing and a heartbeat in a person who has gone into cardiac arrest.

Common causes of cardiac arrest are a heart attack or near-drowning.

CPR involves performing chest compressions and, in some cases, rescues ("mouth-to-mouth") breathing. These techniques can keep blood flowing to the brain and other organs until medical help arrives. When oxygen-rich blood cannot get to the brain, brain damage can occur within minutes.

## What to do before performing CPR

Time is of the essence, but before you attempt CPR on someone, follow these steps,

1. **Make sure the environment is safe.** A fire, traffic accident, or other dangers could put your own life at risk.
2. **Try to wake the person.** Tap on the person's shoulder firmly and ask "Are you OK?" in a loud voice. Move on to the next steps after five seconds of trying to wake the patient.
3. **Call 911.** Anytime a patient won't wake up, call 911 immediately or ask a bystander to call. Even if you will perform CPR on the spot, it's important to get paramedics to the scene as quickly as possible.
4. **Put the person on their back.** If it's possible that the person may have had a spinal injury, turn them carefully without moving the head or neck.
5. **Check for breathing.** Tilt the patient's head back to open the airway and determine if they are breathing. If the patient doesn't take a breath after 10 seconds, start CPR.
- 6.

The following steps apply to adults and to children over 8 years old.

1. **Place your hands on the person's chest.** Imagine a line between the nipples and put the heel of one hand directly on that line, in the centre of the chest (i.e., the sternum). Place your other hand on top of that hand. Centre your weight directly over your hands.
2. **Perform chest compressions.** Push hard, to a depth of at least 2 inches (but no deeper than 2.4 inches) and fast about twice per second until the person responds. Your hands shouldn't bounce, but you should lift your entire body weight off the patient in between each compression.
3. **Give rescue breaths.** If you have had CPR training and feel comfortable performing the steps, push on the chest 30 times, and then give two rescue breaths.
4. **Repeat.** Repeat cycles in the CPR ratio of 30:2 (chest compressions and breaths) until help arrives or the patient wakes up.

The Students of GVPCEW actively Participated and gained the knowledge about CPR.

They also participated in NBEMS (National Board of Examinations in Medical sciences) CPR Awareness Program and got the certificates.

Here is sample certificate copies attached along with the report.

Key Points: Briefed about Cardiovascular Diseases, Symptoms, Risk factors, Prevention

## 1. Introduction

Cardiovascular diseases (CVDs) represent a group of disorders affecting the heart and blood vessels. They are a leading cause of morbidity and mortality worldwide. This report provides a comprehensive overview of cardiovascular diseases, including their types, risk factors, symptoms, diagnostic approaches, treatment options, and preventive measures.

## 2. Types of Cardiovascular Diseases

### 1. Coronary Artery Disease (CAD)

- **Description:** CAD is caused by the buildup of plaque in the coronary arteries, leading to reduced blood flow to the heart muscle.
- **Symptoms:** Chest pain (angina), shortness of breath, and, in severe cases, heart attack.

### 2. Hypertension (High Blood Pressure)

- **Description:** A condition characterized by consistently elevated blood pressure, which can damage blood vessels and lead to heart disease.
- **Symptoms:** Often asymptomatic, but severe cases may cause headaches, shortness of breath, and nosebleeds.

### 3. Heart Failure

- **Description:** A condition where the heart is unable to pump effectively, leading to insufficient blood flow to meet the body's needs.
- **Symptoms:** Shortness of breath, swelling in the legs and ankles, fatigue, and fluid retention.

### 4. Arrhythmias

- **Description:** Abnormal heart rhythms, including atrial fibrillation, ventricular tachycardia, and bradycardia.
- **Symptoms:** Palpitations, dizziness, fainting, and shortness of breath.

### 5. Stroke

- **Description:** Occurs when blood flow to a part of the brain is interrupted, leading to brain cell damage.
- **Symptoms:** Sudden numbness or weakness, confusion, trouble speaking, and severe headache.

### 6. Peripheral Artery Disease (PAD)

- **Description:** Narrowing of the peripheral arteries, usually in the legs, leading to reduced blood flow.
- **Symptoms:** Pain in the legs when walking, numbness, and sores that do not heal.

### 7. Congenital Heart Defects

- **Description:** Structural abnormalities of the heart present from birth.
- **Symptoms:** Can vary widely but may include cyanosis, rapid breathing, and poor weight gain in infants.

## 3. Risk Factors

### 1. Modifiable Risk Factors

- Hypertension
- Hyperlipidaemia
- Smoking
- Diabetes Mellitus
- Obesity
- Physical Inactivity
- Poor Diet

### 2. Non-Modifiable Risk Factors

- Age
- Gender
- Family History

## 4. Symptoms

- Chest Pain
- Shortness of Breath
- Palpitations

## How to Prevent:

### 1. Primary Prevention

- **Healthy Lifestyle:** Maintaining a balanced diet, regular exercise, and avoiding smoking.
- **Regular Screenings:** Monitoring blood pressure, cholesterol levels, and glucose.

### 2. Secondary Prevention

- **Medication Adherence:** Following prescribed treatments to manage existing conditions.
- **Cardiac Rehabilitation:** Structured programs to improve health post-cardiac events.

## 7. Conclusion

Cardiovascular diseases pose significant health challenges but can be managed and often prevented through lifestyle changes, early detection, and appropriate medical interventions. Continuous research and advancements in treatment options are vital in reducing the impact of these diseases. It is crucial for individuals

## Report of Events of Ecotech club in 2024-25

1. Expert Talk was organized on "Climate tank Accelerator" for students by Ms. Sweta Patole, Student Society for Climate Change Awareness, a chapter of Seeds of peace, USA, on 26-04-2024 in the college auditorium. The expert talk was organized by Ecotech club, GVPCEW and NSS wing of GVPCEW. During the talk Ms. Sweta Patole discussed about various topics and projects, students can undertake on climate change awareness. She gave an insight in to the various phases of submission of project proposals, funding options and incentives available. She also explained to students that they can get mentorship from leading climate experts to ideate and implement climate action project. A video was also shown to students about various activities undertaken by their organization. At the end of the session, students were keenly involved in the interaction session with the speaker.
2. Ecotech club of GVPCEW conducted an Ideathon- '*Environer*' to commemorate World Environment Day 2024- 5<sup>th</sup> June 2024, What is my Tikkun Olam? Students uploaded their ideas on the google form sent to them via email, along with pictures while doing the activity and a brief report on the activity done at their respective residences.

## A Report on INTERNATIONAL YOGA DAY, JUNE 21, 2023

The International Day of Yoga has been celebrated annually on 21 June since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in India. The idea of an International Day of Yoga was first proposed by the current Prime Minister of India, Narendra Modi, during his speech at the United Nations General Assembly (UNGA), on 27 September 2014, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world.

Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with you, the world, and the nature. By changing our lifestyle and creating consciousness, it can help in well-being. Let us work towards adopting an International Yoga Day.

— Narendra Modi, UN General Assembly

On June 21<sup>st</sup>, 2023, GVPCEW celebrated the 9<sup>th</sup> International Yoga Day with great enthusiasm under the NSS Unit and coordinated by physical director, N. Mangala Gowri, S.V.Satyanarayana Garu, Yoga Trainer and was attended by around 65 members (staff and students).

The objective of this year's celebration, themed "Yoga for Vasudhaiva Kutumbakam," was to connect with a larger global community and promote the widespread adoption of yoga in every village in India.

The program kicked off with warm-up exercises, during which all faculty members actively participated. They guided through various sitting and standing asanas, with simultaneous explanations of their significance. The instructors emphasized the importance of incorporating yoga into daily life and maintaining harmony between the body and mind. The session lasted for over an hour, witnessing active participation and engagement from all attendees. The yoga instructors provided detailed explanations of each pose and offered guidance on precautions to taken. Undoubtedly, it proved to be a successful event.

**National Girl Child day**

Date: 24-01-2024

Date: January 24, 2024

Chief Guest: Dr. K.UMA, Gynaecologist, GVP Health Care & Medical Technology.

**Introduction**

National Girl Child Day, observed annually on January 24th in India, is a significant occasion aimed at raising awareness about the rights and welfare of girls. This day emphasizes the importance of gender equality, empowerment, and the elimination of discrimination against the girl child. As a gynaecologist at GVP Health Care & Medical Technology, it is crucial to understand and advocate for these issues, particularly in the context of our institution's diverse student body.

### Objectives of National Girl Child Day

1. **Promote Gender Equality:** Raise awareness about the value and potential of girl children in all aspects of life.
2. **Combat Discrimination:** Address and reduce gender-based discrimination and bias.
3. **Enhance Educational Opportunities:** Encourage the empowerment of girls through education and professional development.
4. **Support Health and Well-being:** Highlight the importance of healthcare and reproductive rights for girls and women.

### Activities and Observations:

1. **Awareness Seminar:** On January 24th, a seminar was conducted in collaboration with the GVP Health Care & Medical Technology. The session covered the significance of National Girl Child Day with a focus on healthcare and educational opportunities. As a gynaecologist, she provided insights into the

importance of reproductive health education and the role of medical professionals in supporting girls' health and well-being.

2. **Health and Wellness Workshop:** A workshop was organized to provide female students with practical knowledge about reproductive health, hygiene, and preventive care and also conducted a session on menstrual health, contraceptive choices, and addressing common myths and misconceptions.

### Conclusion

National Girl Child Day serves as a powerful reminder of the ongoing need to advocate for gender equality and the well-being of girls. At GVPCEW, we are committed to fostering an inclusive environment that supports the growth and empowerment of all students. She also addresses the challenges and implementing targeted initiatives, so that the students can contribute to a more equitable future for the next generation.

No. NSS(2)/NSS Activities/2024

Date: 22.01.2024.

To  
The Principals  
Having NSS Units under Andhra University

Dear Sir/ Madam,

Sub: NSS Cell, A.U.- Conduct of NSS Activities from 23.01.2024 to 26.01.2024-  
Reg.

\*\*\*\*

As per the directions of the Ministry of Youth Affairs and Sports, Govt. of India, the NSS Units under Andhra University jurisdiction organise NSS activities every year in the successful manner. Our NSS activities and participation of NSS Volunteers are appreciated by the Hon'ble Vice- Chancellor of Andhra University as well as State NSS Cell, Govt. of A.P. and the Ministry of Youth Affairs and Sports, Govt. of India.

As part of NSS activities, the Ministry of Youth Affairs and Sports, Govt. of India suggested to all the Universities to celebrate the following events under your jurisdiction.

S. No.	Name of the activity	Date of activity
1.	Parakrama Diwas ( Birth Anniversary of Shri Nethaji Subash Chandra Bosh)	23.01.2024
2.	National Girl Child Day	24.01.2024
3.	National Voter's Day	25.01.12024
4.	Republic Day	26.01.2024

Hence, you are requested to celebrate the above events in your college Campuses/ Adopted villages/ Slums and share the activity photos and videos to the NSS Cell, Andhra University, Visakhapatnam for onward submission to the Ministry. Further, the NSS Volunteers take the pledge on prevention of substance abuse on 26.01.2024.

This is for you kind information.

Thanking you.

TS  
NSS Programme Officer  
G.V.P. College

Yours faithfully,

(S. Haranath)  
22/1/24

### Report of Events of Ecotech club in 2024-25

1. **Expert Talk** was organized on “Climate tank Accelerator” for students by **Ms. Sweta Patole, Student Society for Climate Change Awareness, a chapter of Seeds of peace, USA**, on 26-04-2024 in the college auditorium. The expert talk was organized by Ecotech club, GVPCEW and NSS wing of GVPCEW. During the talk Ms. Sweta Patole discussed about various topics and projects, students can undertake on climate change awareness. She gave an insight in to the various phases of submission of project proposals, funding options and incentives available. She also explained to students that they can get mentorship from leading climate experts to ideate and implement climate action project. A video was also shown to students about various activities undertaken by their organization. At the end of the session, students were keenly involved in the interaction session with the speaker.
2. Ecotech club of GVPCEW conducted an Ideathon- ‘**Environer**’ to commemorate World Environment Day 2024- 5<sup>th</sup> June 2024, What is my Tikkun Olam? Students uploaded their ideas on the google form sent to them via email, along with pictures while doing the activity and a brief report on the activity done at their respective residences.

## Report on Parakrama Diwas

23-01-2024

Venue: GVPCEW, Auditorium

No. of Students Participated: 39

Theme: Life and Contributions of Nethaji Subash Chandra Bose.

To commemorate the remarkable life and contributions of Netaji Subhas Chandra Bose, GVPCEW organized a PowerPoint Presentation (PPT). The event aimed to inspire students to learn more about one of India's most significant freedom fighters, who played a pivotal role in the Indian independence movement. The competition focused on Netaji's life, leadership qualities, patriotism, and his invaluable contributions to India's struggle for freedom.

# GAYATRI VIDYA PARISHAD COLLEGE OF ENGINEERING FOR WOMEN (Autonomous)

CSE, ECE and IT Courses Accredited by NBA (2019-2022) and Re-accredited by NBA (2022-2025)  
Accredited by NAAC with grade 'A' from 2022 to 2027

## Objectives of the Event:

1. To educate students about the life and struggles of Netaji Subhas Chandra Bose.
2. To promote creativity and effective communication skills among students through presentation.
3. To encourage the younger generation to reflect upon the values of patriotism, leadership, and dedication towards the nation.
4. To provide a platform for students to showcase their research and presentation skills.

The competition witnessed enthusiastic participation from students across various departments. Total 39 students registered, and presentations were evaluated based on content quality, creativity, presentation skills, and relevance to the theme.

Accredited by NAAC with grade 'A' from 2022 to 2027

Participants were allotted 10-12 minutes each to present their PowerPoint slides, which were expected to cover various aspects of Netaji's life, including:

- His early life and education.
- Contributions to the Indian National Congress and his leadership in the Indian independence movement.
- Netaji's role in international diplomacy and his global vision for India's freedom.
- His mysterious disappearance and the ongoing legacy of his contributions.

The students used a mix of historical images, quotations, videos, and innovative visual designs to make their presentations more engaging.

# Life and contributions of Netaji subhas chandrabose

## Earlier life of Netaji :

- Born in Odisha , 23, January 1897.
- Studied at Presidency College, Calcutta.

- His parents sent him to the University of Cambridge in England to prepare for the Indian Civil Service (ICS) examination.
- In 1920, he resigned from his highly-paid ICS position.

## Netaji's Contributions :

He left home to participate in India's independence movement and became a member of the Indian National Congress.

He revived the Indian National Army, popularly known as 'Azad Hind Fauj' in 1943 which was initially formed in 1942 by Rash Behari Bose. The assault by the INA, no matter how short-lived it was, was an important factor that eventually contributed to the British decision to stop their operations and shift back to their own land. This, in the end, did pave the way for India's independence.

## Quotes by Netaji :

**“We have a grim fight ahead of us for the enemy is powerful, unscrupulous and ruthless. In this final march to freedom, you will have to face hunger, privation, forced marches and death. Only when you pass this test will freedom be yours.”**

## **Why subhash chandraboze is called "Netaji" ?**

The title "Netaji" for Subhash Chandra Bose was first given to him by Indian soldiers of the Azad Hind Fauj (Indian National Army) during the freedom struggle against British colonial rule in India. The term "Netaji" is a combination of two Hindi words: "neta," meaning leader, and "ji," a term of respect. The soldiers used this title to acknowledge Bose's leadership and role as their commander during the fight for India's independence.

## **NETAJI SUBHAS CHANDRA BOSE**

Subhas Chandra Bose was born on January 23, 1897, Cuttack, Indian revolutionary prominent in the independence movement against British rule of India. He also led an Indian national force from abroad against the Western powers during World War II. He was a contemporary of Mohandas K. Gandhi, at times an ally and at other times an adversary. Bose was known in particular for his militant approach to independence and for his push for socialist policies.
