1. Dr R V S Lakshmi Kumari (HoD,EEE)
2. Dr P Devendra (Associate Professor)
3. Mrs ASV Vijayalakshmi (Assistant Professor)
4. Mrs N Veekshitha (Assistant Professor)

**Agenda:**

1. Preparation of Course Outcomes for the odd semester subjects of R19 regulations
2. Overview of Department Activities through online mode
3. Discussion on Elective subjects for EEE students

**The members discussed and resolved the following:**

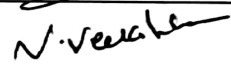

1. DAC has discussed the guidelines given by the University for conducting the theory and lab courses for R19 regulations and to be informed to all the faculty.
2. Planned the activities to be conducted through online mode for the academic year 2020-21 for the enhancing the knowledge of the students of EEE.
3. Informed the faculty who are handling R19 regulation subjects for 2<sup>nd</sup> EEE by 31<sup>st</sup> March, 2020 to prepare the course outcomes for the subjects.
4. DAC has discussed regarding the feedback given by the faculty. The faculty felt that, as the course content is continuously updated once in three years which will benefits the students in enhancement of their knowledge and readiness for industrial requirements.

5. Discussed the selection of elective subjects for final EEE as per their regulations. Based on the discussion, it is decided to select the following two subjects for Open Elective, Elective I and Elective II for IV EEE in 1st semester. The following are the subjects for choice and it is decided to take options from the students to take options for one subject in each category.

Elective I (IV EEE): Subject1: Instrumentation  
Subject2: Advanced Control Systems

Elective II (IV EEE): Subject1: Special Electrical Machines  
Subject2: Electric Power Quality

2. Dr. P.M.K. Prasad, Associate Professor, ECE
3. Dr. L. Ganesh, Associate Professor, ECE
4. Dr. B. Vijya Lakshmi, Associate Professor, ECE
5. Dr. D.A.V.N Ravi Kumar, Associate Professor, ECE
6. Ms. B.V.S. Renuka, Assistant Professor, ECE
7. Ms. Ch. Sirisha, Assistant Professor, ECE

Agenda:

1. Ensuing subjects and Electives of II, III, IV B. Tech, Semester-II, AY: 2020-21
2. Preparation of Course Outcomes, CO-PO Mapping, and justification for the even semester subjects of R19 regulations.
3. Procurement of Laboratory equipment.
4. Planning of Academic and Co-Circular activities.
5. Any other issues with the permission of chair.

The members discussed and resolved the following:

1. At the outset the Chairman welcomed all present and briefed the forum about compulsory, professional elective, open elective subjects and labs pertaining to II (R-19), III (R-16), IV (R-16), Semester -II, AY:2020-2021. It was decided to conduct the class work through Online mode due to lock down in view of Covid-19.
2. As JNTU-K has introduced the R-19 regulation, the DAC members provided feedback on the contents of new curriculum and its transactions. HoD then requested the DAC members to submit the detailed feedback report on R-19 regulations.
3. Then the discussions were held regarding selection of the subjects for Open Elective, Elective- III and decided to select the following two subjects for III for IV ECE

semester II to enhance the knowledge in the area of Artificial Neural Networks, VLSI & sensor networks. It was also decided to take options from the students to choose one subject in each category.

### III Year

Open Elective: Subject 1 – Bio – Medical Engineering

Subject 2 – Artificial Neural Networks

### IV Year

Elective – III: Subject 1 – Digital IC Design

Subject 2 – Wireless sensor networks

4. DAC members then requested the course-coordinators to coordinate with subjects handling faculty in preparation of the COs, CO-PO/PSO mapping and its justification for the subjects of R-19 regulations.
5. After this HoD briefed about the requirement of new equipment and consumables for the labs.
6. Further concerned labs in charges were requested to get the quotations from suppliers and process further for purchase of equipment.
7. DAC members discussed about the academic and co-circular activities carried out and it was decided to conduct FDP in the area of Signal Processing, VLSI, IOT, Machine Learning and activities to be carried out by professional bodies such as IETE, IEEE and student body ECLAT-A through online mode.
8. HoD requested DAC members to verify course files and lab files of the previous semester as part of Academic audit.
9. There being no further points, meeting was concluded.
