INDUSTRY INTERNSHIPS (AY-2015-16)

Industrial Internships:

The students are encouraged to take up internship programs during their semester break. Faculty members give their guidelines, suggestions and scope and contact details of an internship. They also help the students by interacting with the industrial experts, and providing other necessary support. The alumni coordinator constantly interacts with alumni those who are working in the industries and request them to provide necessary guidelines and supports for their junior's internship.

Student internships in academic year 2015-16
 No of internships: 45
