

Concepcion, Chile  
29<sup>th</sup> March, 2022

**To Whom So Ever It May Concern**

Dear Sir/Madam,

This has with reference to the submission of Fondecyt Postdoctorado Project Number N°3190423, entitled **"Development of multiferroics nanocomposites for Energy and Smart applications"** in which **Dr. Rajesh Babu Bitra** is the Principal Investigator. As a sponsoring professor of this postdoctoral research Project, I am well satisfied with the research investigation work of Dr. Rajesh Babu during his THREE years term of March 2019-March 2022. He had well planned and executed his three years research work, and successfully synthesized and thoroughly characterized different nano multiferroic systems by wet-chemical processes, Ultrathin 2D Graphene Oxide. In continuation, he had developed and optimized the PVDF, PDMS prototypes suitable for energy and smart applications principally applicable in Chile and around the world.

Dr. Rajesh Babu has done extensive research work on the synthesis and optimization of multiferroic PVDF-GO nanocomposites in visiting the Department of Mechanical Engineering, University of Bath, UK. As part of his three years research work, he has interacted by means of characterizations within UdeC, in visiting various labs in Chile (in USACH, Universidad Andrés Bello, Santiago etc.), invited talks, participation of workshops, etc. (in Wessex School, Concepcion) and International (UK and India).

Dr. Rajesh Babu has presented in International Conference on Advanced Light weight Materials and Structures (ICALMS) held in India during March, 6<sup>th</sup>-7<sup>th</sup>, 2020 and he received Best Paper presentation award.

Dr. Rajesh Babu has involved and helped in guiding TWO pregrado and One doctorado student in our research group for development of nano multiferroics, and had involved in nanotechnology laboratory classes to our pregrado students during three years (in presential and also in online interaction during Covid time).

Best regards,

*K.V.S. Ramam*

Note for approval by the Secretary, Gayatri Vidya Parishad:

Date: 17/05/2019

Dr.B.Rajesh Babu, Assistant Professor, Department of Physics, GVP College of Engineering for Women submitted his Research Proposal entitled "Development of multiferroic nanocomposites for Energy and Smart applications" was selected for Fondecyt Postdoctoral Contest 2019 and he was invited to join as Post Doctoral Fellow by University de. Concepcion, Chile for a period of three years (i.e, from 01/05/2019 to 30/04/2022 – letter of invitation of Post Doctoral Fellowship is enclosed).

This is a rare and good opportunity to Dr.Rajesh Babu as a faculty member of our college to work as Post Doctoral Fellow in a foreign nation with scholarship/salary by that country/university.

With reference to the above Dr.B.Rajesh Babu requested to grant LIEN for the said period of three years (letter of Dr.B.Rajesh Babu enclosed).

Though, that university granted three years Post Doctoral Fellowship from 01/05/2019 to 30/04/2022, he is joining on 1<sup>st</sup> June, 2019 and returning to India in the first week of June, 2022.

In view of the above, he may be granted lien for a period of three years from 01/06/2019 to 31/05/2022.

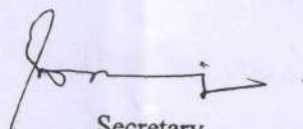

Further we may grant leave for one month after expiry of lien period and he may be asked to join by 30/06/2022. During the period of lien the college need not pay any salary/allowance as he is getting his salary/scholarship under Post Doctroal Fellowship.

However, on return, his seniority in the department of Physics shall continue by granting three notional increments for three years of lien period. His post in the department shall continue as lien vacancy.

Submitted for kind perusal and approval.

If approved, office order will be issued by the undersigned.

  
(Dr.K.V.S.RAO)  
Principal

  
Secretary  
Gayatri Vidya Parishad

To  
The Secretary,  
Gayatri Vidya Parishad,  
Visakhapatnam.

Visakhapatnam.  
Dt: 29/04/2019

**THROUGH PROPER CHANNEL**

Respected Sir,

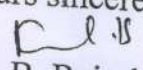

SUB: Request to issue **ON LIEN** to join as a Post Doctoral Fellow- Reg.

I, Dr. B. Rajesh Babu, working as Assistant professor in Physics in this Institution since 01-02-2011. I am glad to inform you that my research proposal entitled "**Development of multiferroic nanocomposites for Energy and Smart applications**" was selected for **Fondecyt Postdoctoral Contest 2019**. I have decided to join as a Post Doctoral Fellow in **University de. Concepcion**, Chile in the month of May 2019.

So, I request you to grant me **ON LIEN** during the period **1<sup>st</sup> May 2019 to 30<sup>th</sup> April 2022** to carry out the Post-Doc. Research work in Chile.

I am very grateful for your kind consideration and support in this regard.

Thanking you sir

Yours sincerely,  
  
Dr. B. Rajesh Babu  
Asst. Prof. in Physics -

Dear Raj Kumar Goswami,

EdCreate Foundation has accepted your request to provide support for Gayatri Vidya Parishad College of Engineering for Women. Please contact the ASC to complete any additional requirements for setting up your relationship.

Follow these steps to find contact information for the Academy Support Center:

1. Log in to Cisco Networking Academy at [www.netacad.com](http://www.netacad.com).
2. From the **I'm Managing** tab, click **My ASC Relationship**.
3. The name and email address of the ASC contact will display.

Best Regards,  
Cisco Networking Academy Team

### Open P-TECH

Dear Sudheer Gopinathan,

Thank you for registering Gayatri Vidya Parishad College of Engineering for Women with Open P-TECH. We are excited to work with you!

Here are the custom links you'll need to enable others at your school to join Open P-TECH. It is very important that you share these links ONLY with their intended audiences so that everyone will be registered correctly.

1. Give this link to the **STUDENTS IN YOUR OWN CLASS** or cohort so that they can self register:

<https://ptech-reg.eu-de.mybluemix.net/?org=0749&mgr=162632REG&lang=en>

Please tell your students that they should not share this link with students in other classes.

2. Give this link to other **TEACHERS OR ADMINISTRATORS** at your school so that they can self register:

<https://ptech-reg.eu-de.mybluemix.net/?org=0749&mgr=162632REG&lang=en&isT=true>

Please tell your colleagues that they should not share this link with students.

After your colleagues self register, they will receive an email with a self registration link to share with students in their own classes or cohorts.

As a vetted teacher or school administrator, you will be able to access registration and learning completion data for students in your school. This information is to be used for educational purposes only, shared only with other vetted teachers or school administrators, and deleted when no longer in use.

Sincerely,  
The Open P-TECH team

Dear Open P-TECH team,

Thank you for registering our college in the Open P-TECH program. I have passed on the exclusive link given by you to our faculty. I hope they will register soon and make the best use of the given facility.

Thank you once again.

With warm regards,

Sudheer

Dr.G.Sudheer
