## MEMORANDUM OF UNDERSTANDING

PAM TEN, Visakhapatnam

AND

GAYATRI VIDYA PARISHAD COLLEGE OF ENGINEERING FOR WOMEN, Visakhapatnam

This Memorandum of Understanding (hereinafter referred to as "MoU") is entered into this agreement on this day of 18<sup>th</sup> March, 2017 by and between

**PamTen ([www.pamten.com](http://www.pamten.com))** located at United State of America, USA, Princeton, New Jersey-08540 and having its branch office at Sri Krishna Arcade, 45-57-6/1,6/2, Narasimha Nagar, Beside Spencers Supermarket, Near Akkayyapalem Rythu Bazar, Visakhapatnam - 530 024 is a Minority Women Owned Business Enterprise that is offering Integrated solutions and End User computing services to its customers/clients. It has a global presence with offices in USA, Canada and India and has been offering technology services to companies ranging from small to Fortune 500 companies over a decade. PamTen's strong commitment to community service is demonstrated through its sister organization, SOFKin (Support Organization For Kids in need), a registered non-profit organization.

The company PamTen is driven by a passion to transform businesses and people's lives to make a positive difference in this world. The leadership team of this company is led by Ms.Chaya Pamula who is its President and CEO.

PamTen facilities training, internships and employment opportunities to students from reputed Educational Institutes.

AND

**GAYATRI VIDYA PARISHAD COLLEGE OF ENGINEERING FOR WOMEN** (hereinafter referred to as "GVPCEW") located at Madhurawada, Visakhapatnam – 530048, which is a self-financing institute established by a non-profit making society, named Gayatri Vidya Parishad, and recognized by AICTE with a vision to evolve into and sustain as a Centre of Excellence in Technological Education and Research with a holistic approach. The mission of GVPCEW is (i) to produce high quality engineering graduates with the requisite theoretical and practical knowledge and social awareness to be able to contribute effectively to the progress of the society through their chosen field of endeavour; (ii) to undertake Research & Development, and extension activities in the fields of Science and Engineering in areas of relevance for immediate application as well as for strengthening or establishing fundamental knowledge.

Contd....2

**AND TOGETHER HEREAFTER REFERRED AS PARTIES**

Whereas, The first party **Pam Ten, Visakhapatnam**, will provide internships, training and employment opportunities to students besides offering technology services.

And whereas the second party **GVPCEW, Visakhapatnam**, is an Educational Institution providing education in various U.G and P.G programmes including certificate courses in Engineering. It has the vision and mission to impart quality education of International standards with a major focus on conducting skill development and outreach programmes.

Whereas the second party, GVPCEW has established all the curriculum related laboratories and has employed very highly qualified faculty to train the students both in theory and practice with the best administrative and academic management. GVPCEW has set best objectives to impart quality and high standard education. Internship and practical training are included in the curriculum as mandatory.

**COMMITMENT OF THE FIRST PARTY, PamTen, Visakhapatnam**

- A. To train the students of B.Tech. for various courses as per mutually agreed timings and fees
- B. To permit them to undergo Internship training under the supervision of a person in charge.
- C. To permit them to get hands on training in the available equipment.
- D. To facilitate Expert talks by its personnel at regular intervals.
- E. To offer certificates to the programs conducted by Pam Ten.

**COMMITMENT OF THE SECOND PARTY, GVPCEW**

- A. To permit the students of internship to extend their services to the first party as and when required without any obligations what so ever.
- B. To permit first party to conduct Guest Lectures/orientation programs.
- C. To take all the initiatives to send only disciplined candidates for taking Internship training from the first party after a selection process initiated by the first party.
- D. To popularize facilities of Pam Ten to the students and to further motivate them for undergoing internships to make them eligible for employment.

It is important for both parties to this agreement to be reasonable in every aspect of activity undertaken by both parties to achieve common goals.

Contd...3...

:3:

It is also important for both parties to respect each other without any conflict and without any legal complications. In the case of unforeseen and unexpected problems arising in any one of the two parties or both parties, it is important to address and settle them by mutual discussion only.

In the event of noncompliance by any one of the parties or both the parties to the agreement, it may be terminated in writing with one month notice from either side amicably without any conflict.

The purpose of the MOU is strictly limited to the expression of the parties to the mutual understanding and cooperation and is not intended to impose any legal obligations of any nature on either party.
