

STRATEGIC PLAN

The Strategic Plan of the College lies in achieving the Vision through a well laid out Mission. The SWOC Analysis provides a real picture of the goals and objectives of the institution and how they can be realized.

The planning of strategies and its implementation is to be achieved through proper coordination of academic committee and IQAC. The two put together ensure that the quality of the teaching-learning process is improved year by year. For this, standard review and evaluation procedures are put in place. The feedback from all the stakeholders guides the institution in preparing and reviewing the strategic plan periodically. The long term goals and short term goals are laid out as per the plan and efforts to be made in coordination with the management to achieve the laid objectives with in time frame.

Strategic plan:

CORE VALUES OF THE INSTITUTION

NSS UNIT SURVEY REPORT ON DOOR-TO-DOOR VISIT AT SAMBHAVANIPALEM

DATE: 10-12-2019

DAY-1

All the members of the NSS unit had one-to-one interaction with the people of the village. Nearly 60 households were covered during the survey. The residents of the village were enquired about the basic facilities and provisions like water, electricity, roads and schools to which we got a positive response. However, a series of problems faced by the residents of the village came into light after the interaction.

• **TRANSPORT**

1. Poor transportation facilities are causing hindrance to their daily activities and also during emergency situations.
2. Only two autos are available to connect the village with the city due to which they have to pay higher charges during emergencies.
3. The route to the village is also not commutable for heavy vehicles.

• **MEDICAL FACILITIES**

1. No hospital or dispensary is at reach of the village people. Instead they have to move to the city for even basic first aid.
2. No medical stores are available within the reach of the people.
3. No RMP doctors have visited the village so far.
4. More medical health check-up camps were requested by the people.
5. The local compounder does not respond effectively to the people's necessities.
6. Most of the people complaint about breeding of mosquitoes.
7. No proper treatments for skin allergies.
8. The stray dogs in the village are suffering from various skin diseases.

• **EDUCATION**

1. No scope for higher education in the village.
2. Only primary schooling upto standard 5th.
3. The dropout rate at high school level is very high comparatively.
4. The government school has no playgrounds.
5. Only two teachers are available to teach the children from standard 1 to 5.
6. Most of the families send their children to the city to pursue higher education.

- **WATER**
 1. The water tanks are not cleaned regularly.
 2. Most of the people prefer municipal supply of water rather than water from bore wells.
 3. Only one water tank is available in the whole village.
- **EMPLOYMENT**
 1. Most of the men work in the Kambalakonda Wildlife Sanctuary.
 2. Few women work in the cashew farms of the government.
 3. Female Employment is comparatively very low.
 4. Most of the people are facing problems in procuring the caste certificates.
- **WASTE MANAGEMENT**
 1. Most of the people dump their wastes in the backyards or drainage sewers.
 2. Only one GVMC garbage collector is available to manage the wastes of all the households.
 3. Provisions must be provided to the garbage collector.
- **SANITATION**
 1. Most of the households have basic sanitation facilities.
 2. Most of the women prefer traditional sanitation measures.
 3. Some of the households still lack proper toilets.
- **BASIC AMENITIES**
 1. No general stores.
 2. No ration distribution centers.

NSS UNIT REPORT ON SWACHTHA ABHIYAAN AT SAMBHUVANIPALEM

DATE: 11-12-2019

DAY-2

Today all the NSS candidates actively participated in cleaning the village premises and also motivated the villagers to join us. We cleared the area in front of the school which was covered with unwanted plants and bushes, with the help of the local residents to create space for the playground. We used the gardening tool set and municipality cleaning equipment to clean the streets as part of the SWACHTHA ABHIYAAN scheme. We along with the help of the villagers cleaned the streets of the village. We created awareness about waste management and distributed dustbins to every household. We encouraged the residents of the village to keep their surroundings clean.

NSS UNIT SURVEY REPORT ON PLASTIC WASTE REDUCTION CAMPAIGN AT SAMBHUVANIPALEM

DATE: 12-12-2019

DAY-3

Today, we created awareness regarding the hazards of plastic. We demonstrated many arts and crafts made out of plastic wastes. We educated them about the reusability and recycling of the plastic waste. We even explained the villagers about the health and pollution hazards caused by the usage of plastic. The proper disposal technique of plastic waste was explained to them. The villagers reacted positively to the awareness campaign and joined us to make some crafts.

We also explained and made them aware about the hazards of disposing the wastes into open drains and sewers. The disposal of wastes into open sewers can cause clogging of the drain which leads to breeding of mosquitoes.
