Andhra Pradesh

Subject: Accreditation status of programmes applied by Gayatri Vidya Parishad College of Engineering for Women,
Kommadi, Madhurawada, Visakhapatnam- 530048, Andhra Pradesh.

Sir,

This has reference to your application I.D. No. 3944-09/08/2019 seeking accreditation by National Board of Accreditation in Tier-II format to UG Engineering programs offered by Gayatri Vidya Parishad College of Engineering for Women, Kommadi, Madhurawada, Visakhapatnam- 530048, Andhra Pradesh.

2. An Expert Team conducted on-site evaluation of the programs from 27th-29th December, 2019. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program (s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II Document	Accredited	Academic Years 2019-2020 to 2021-2022 i.e. Up to 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Electronics & Communication Engineering		Accredited		
3.	Information Technology		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. Gayatri Vidya Parishad College of Engineering for Women, Kommadi, Madhurawada, Visakhapatnam- 530048, Andhra Pradesh should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a visit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Gayatri Vidya Parishad College of Engineering for Women, Kommadi, Madhurawada, Visakhapatnam- 530048, Andhra Pradesh as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Contd/-

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs are enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary

ACADEMIC AUDIT-FINDINGS/OBSERVATIONS & ACTION TAKEN

Academic year 2020-21

The IQAC constituted teams to conduct the academic audit once in a year to ascertain whether the teaching learning process is as mandated by the university/regulatory bodies. The expert team takes in to account all the aspects of the teaching learning process. The observations of the team are submitted to the Principal for further action. The principal, IQAC and Academic committee prepare action plan after a due discussions on the observations of the IQAC.

Dept	Annual Curricular Plans & LMS implementation	Activity file-Co-curricular & Extra curricular activities	Monitoring of syllabus & Course file	Data of student related to Higher studies & placement	R&D activities of faculty	Equipment & Labs	Results & Remedials
ECE	The LMS is not put to optimum use by some faculty & students.	The activity file maintenance is fine, but number of activities to be improved.	The course files of some faculty need regular updation.	The number of students getting placed in core companies to be improved.	The number of publications to be improved considerably.	The maintenance file to be updated regularly.	The results are not satisfactory due to poor performance in mathematics oriented courses.
CSE	The LMS usage by students & faculty not up to mark.	The activities have improved but not sufficient.	Some faculty have to update the material regularly.	The target of placements should be 100%.	Publications are minimal. Steps to be taken to improve the research activity.	Updation of computing faculties to be taken up.	Remedial classes to be regular and attendance to be monitored.

Dept	Annual Curricular Plans & LMS implementation	Activity file-Co-curricular & Extra curricular activities	Monitoring of syllabus & Course file	Data of student related to Higher studies & placement	R&D activities of faculty	Equipment & Labs	Results & Remedials
IT	The gaps between planned and implementation is widening	Activities are low. Participation also to be improved.	Value addition to be taken up in labs	Placements to be improved	Research activities are carried out by only 40-50% of faculty. This is to be improved	The maintenance and updation of faculties needed	Remedial classes to be regular. Student participation to be increased.
EEE	The implementation activity and LMS needs regular monitoring	Activities are improving, however not sufficient.	Design experiments, more value added projects to be taken up.	Placements are low in core sector. However, there is a slight increase.	Research activity is improving but more concrete steps needed.	Safety in labs to be monitored regularly	The pass percentage to be improved. For this remedial classes to be regular.

ACTION TAKEN REPORT

Action taken	Annual Curricular Plans & LMS implementation	Activity file-Co-curricular & Extra curricular activities	Monitoring of syllabus & Course file	Data of student related to Higher studies & placement	R&D activities of faculty	Equipment & Labs	Results & Remedials
1	The LMS activity has improved, however problems exist in usage. The students to be encouraged to use LMS by conducting quizzes, putting question banks in LMS	The activities are improving. However, due to pandemic, some of the activities could not be undertaken. Blended activity taken up and monthly report of activities to be sent to Principal.	Teachers training classes and faculty preparedness have been initiated. Academic schedule disturbance have affected the completion of syllabus, however steps have been taken to ensure the satisfaction of students.	The data collection & details have been streamlined. Career counseling activities have helped in this regard, Some core companies response have been favorable to placement activities.	Steps to increase relationship with taken up and are yielding some results. More such initiatives are being explored.	Regular maintenance of labs is monitored by HoDs & fortnightly reported to principal. Computing facilities are being augmented.	The conduct of remedials have been disturbed due to pandemic. Steps initiated to help slow learners in blended mode.

IQAC/1/2020-21

Date: 22.12.2020

Minutes of Meeting

Minutes of IQAC meeting held on 22.12.2020

Venue: Seminar Hall, Time: 4.00pm

The meeting started with a brief note of welcome by the chairman, IQAC
Following points were discussed and action to be taken suggested.

1. Innovative Practices in Teaching-Learning:

Points Discussed

- i) Usage of Learning Management System (LMS)
- ii) Usage of virtual labs software for lab experiments.
- ii) Usage of ICT facilities and its improvement

Resolution: (i) Improve usage of LMS (ii) Utilize vlab.co.in extensively (iii) Increase usage of Wacom

2. Library:

Suggestion: Usage of library by the students and faculty

Resolution: It was decided to improve library access by the students and faculty.

3. Academic audit

Suggestion: Regular audit of Academic activities for improving the quality of learning

Resolution: It was decided to conduct academic audit of all the departments once in a year for the quality improvement in the institute.

4. Online FDPs/STTPs/workshops

Suggestion: Faculty participation in FDPs, STTPs and workshops for quality improvement.

Resolution: It was decided to encourage the faculty to attend online FDPs, and workshops

5. NAAC:

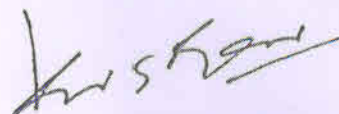

Points discussed:

- i) Data collection regarding NAAC
- ii) NAAC Self Study Report Preparation

Resolution: It was decided to prepare NAAC SSR as per the new format dated 1-1-2020.

CSE	The planning & implementation of calendars is fine. LMS updation by faculty is not regular.	Proper maintenance of file is needed. The activities should be coordinated well.	Syllabus completion is to be monitored well. As top students opt for branch, labs should have good creative programs/experiments. Course file maintenance should be scrutinized every semester by DAC.	Placement activities are good. Collection of details to be improved. Students should be motivated towards GATE.	Efforts are to be put in to increase the research activity	Proper maintenance of labs is to be monitored. Updation of software to be regular	The results are fine. Remedials conduct to be considered.
IT	LMS implementation should be monitored so that benefit reaches students. The preparation of plans is fine but implementation to be restructured.	Activities should be improved and data collection to be considered.	Syllabus completion is planned. Course file maintenance is not regular.	Data collection is not proper. Higher studies awareness programs needed. Placement is improving but 100% placement should be the target.	Focus should be on the conduct of research forum lectures in coordination with other departments.	The labs are to be maintained well.	The results are to be improved. Remedial classes to be regular.
