Event 3: Offline Quiz on “Computational Thinking”

On October 4, 2021, the IEEE Student Branch (SB), GVPCEW held a QUIZ competition on "Computational Thinking" especially for GVPCEW students. The competition is run in offline mode. The quiz consists of ten objective questions covering both informatics (Computer Science, or Computing) and computational thinking modules. The quiz is designed to help the student understand her problem-solving abilities as well as the approaches used by software developers to create programmes and apps. The quiz was attempted by 43 students, and 20% of them received 50% of the marks.

A total of 43 people registered for the competition and took part in it. The quiz competition competitors come from a variety of technical backgrounds, including 20 students from ECE, 19 from CSE, and four from IT.

Event 4: IEEE Day Celebrations – 2021

The IEEE student branch of Gayatri Vidya Parishad College of Engineering for women celebrated 12th IEEE day on 5th October 2021. The theme of IEEE celebrations is “Leveraging technology for better tomorrow”. The day commemorates the anniversary of the meeting in Philadelphia in 1884 when members of the American Institute of Electrical Engineers, one of IEEE’s predecessor societies, gathered for the first time to share technical ideas. The primary goal of these events is to raise awareness among student members while also providing them with an opportunity to connect with experts and professionals.

A total of 39 participants have attended the celebrations. All the participants, are from GVPCEW, IEEE SB.

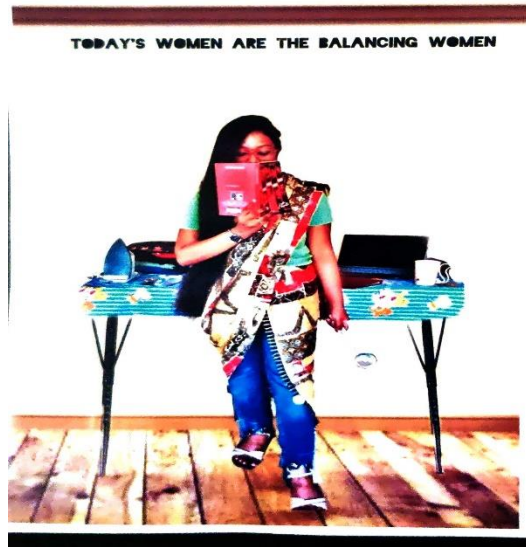

Event 5: IEEE Book Donation Campaign

In this age of transformation from book to E-book, IEEE Student Branch GVPCEW has launched a novel programme called “Gift a Book” with the goal of stocking and passing on old books to the juniors. The event is planned over a week duration from 27th – 31st October 2021. The books were gathered with the intention of expanding the department library's services to even more students.

Event 6: IEEE Photography Contest

On November 16, 2021, the GVPCEW IEEE Student Branch held a "Photograph/Video design" contest. Ten teams from the institution's various departments have expressed interest in the competition. The program is organized with the goal of recognising and developing the students' interpretation skills.
